Section 5
Specimen Flowers – Annuals

*Exhibits in this division must be cut flowers grown by the exhibitor & must conform to the number of blooms, spikes or stems specified in each class.
*Number in parenthesis following the flower name indicates the number of specimens, stems or blooms required for entry.
*Display foliage of flowers but no foliage in water.
*The uniformity of height, color and size is an important factor in evaluating entries.
*Flowers in each entry must be of one color and variety unless otherwise stated.
*All exhibits to be in jars except tall specimens are to be in 2 liter soda bottles or other size appropriate bottle with label and glue removed.
*Entries for most unusual must be identified/labeled.
