Sheep entered must be registered (except market lambs) or be in the process of being registered to the exhibitor before August 15. No leased animals will be allowed. **Official entry form must be completely filled out and submitted by an exhibitor for each animal he/she intends to show.** Entry forms may be obtained from the Agriculture department as a paper copy and via our website. Breed Class numbers must be inserted on entry application form. Requests from universities to deduct entry fees from premiums will be honored when such request appears on the entry form. Exhibitors need to enter single classes only and will automatically be entered in applicable group classes. Sheep to be shown in any group class must be owned identically. Updated Show Ring Books will be provided at the time of show so registration papers will need to be checked in a timely manner.

3. Eligibility. ALL ANIMALS will be shown in their respective breed classes according to their date of birth. Substitutions are allowed at paper check-in time, additional entries are not. Breed classes for entry purpose are listed in this Premium Book. Sheep exhibitors may show no more than three breeds. Exhibitors can earn up to three premiums in individual classes and one premium in any group class. Lambs born after January 1 must have all their lamb's teeth. Lambs born after September 1, shown in senior classes, may have dropped the first pair of lamb's teeth and may have their first pair of permanent teeth in, but not up even with their lamb's teeth. Yearlings cannot have more than four pair of permanent teeth in use. Sheep should be in show condition, properly handled and presented when shown. Failure to adhere to this rule will result in disqualification of the exhibitor and/or his/her breed shown at this fair. Animals must be shown in single classes to be eligible for group classes. All breed champions are required to show for Supreme Champion selections. Please see respective breeds for lamb class break dates and maximum number of head shown. Classes with an exceptional large number of entries may be re-split at the discretion of the sheep superintendent.

4. Premier Breeder and Exhibitor. Premier Exhibitor Award will be presented to the exhibitor winning the most money in one breed. In case of a tie, higher placing in the Exhibitor's Flock will determine the winner. Premier Breeder Award will be presented to the breeder winning the most points on, not to exceed six animals in the open single classes exhibited by him and by other exhibitors. The point system for determining Premier Breeder shall be as follows:

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
15	14	13	12	11	10	9	8	7	6	5	4	3	2	1

In case of a tie, points from the seventh sheep will be used, and so on until the tie is broken.

5. Group Class Definitions. Exhibitor's Flock to consist of one ram, two yearling ewes and two ewe lambs, to be owned by one exhibitor; Breeder's Flock to consist of one ram, two yearling ewes and two ewe lambs, all bred and owned by one exhibitor; Get-of-Sire to consist of four animals, both sexes to be represented, the get of one ram, owned by one exhibitor.

6. Exhibitors' Meeting. Pre-show exhibitors meeting will take place before the first breed show in each shift. Judge nominations can be made to the sheep show supt. during your stay, and then selection among exhibitors will take place via email post show. This procedure will also go for the exhibitors to serve on the Eastern States Exposition Agriculture Advisory Board.

7. Penning. A space has been provided on the entry form for exhibitors to request the amount of penning wanted and with whom. Management will try to the best of their ability to honor these requests to the satisfaction of the exhibitor but cannot guarantee it.
