Secretary Greig,

The New Carlisle Fair Association suspended its operation of the Cumberland Ag Expo as a funded event for 2011. It is our intent to operate as a funded fair this year and again make application for funding through the Fair Fund Office, PA Dept. of Agriculture.

We will host the fair at the same location September 5-8, 2012.

Thank you for your consideration and service to the Agricultural community in Pennsylvania.

Sincerely,

Bruce E. Lemmon,
President, New Carlisle Fair Association
