

**Plan of Action to Maintain Funding in Budget**  
**&**  
**Lay Groundwork for Possible Increase in Funding**

- 1) Each and every Fair should schedule a meeting with their Senator and Representative in the month of April/May in the Home District Office. If the legislator is not available meet with the Chief of Staff.
- 2) Present issue in clear concise manner and leave position paper. (The position paper will be sent to each fair).
- 3) The Fair Officers shall meet with the Appropriation Committee staff and leader's staffs during April/May and brief the staff on issues and what action is being taken. This effort will be coordinated with Rep. David Millard.
- 4) All Fairs should speak to their Senate and/or House member(s) personally on their Fair(s) economic impact, social events, educational as well as agricultural values that each and every fair creates in the local area.
