Hunter Over Fences

Each horse will individually negotiate a course consisting of at least 8 jumps over a minimum of 4 different obstacles. At least one change of direction is recommended. The hunter should provide his rider with a safe, consistent ride at a working pace over a course of fences similar to those that might be encountered in the field. This requires that all horses must be serviceably sound and any horse showing evidence of lameness, broken wind or impairment of vision will be excused from the ring by the steward, show vet or judge.

Horses with artificial appearance over obstacles will be penalized. The course must be designed to show appropriate gait differences (walk, jog/trot, lope/canter, halt, back). A minimum of 6 obstacles will be used. Time in excess of 30 seconds or 3 attempts in approaching an obstacle will eliminate the score for the obstacle and the rider will proceed to the next obstacle. The class will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider and attitude. This class may be ridden in either English or Western tack or attire but not a combination of both.

Hunter Over Fences

Each horse will individually negotiate a course consisting of at least 8 jumps over a minimum of 4 different obstacles. At least one change of direction is recommended. The hunter should provide his rider with a safe, consistent ride at a working pace over a course of fences similar to those that might be encountered in the field. This requires that all horses must be serviceably sound and any horse showing evidence of lameness, broken wind or impairment of vision will be excused from the ring by the steward, show vet or judge.

Western All Around

The purpose of this class is to promote the versatility of the 4-H horse that is being ridden western. This is NOT strictly an equitation class, pleasure class or halter class but a combination that will showcase the horse that is trail ridden, show pen ridden, gamed or used as a family or lesson mount. This class is not breed specific but is WESTERN specific. No registration papers are required for this class. A true family 4-H horse is easy to handle, quiet, usually easy gaited and does not show undesirable mannerisms. His overall performance should be smooth, consistent and obedient. Additionally, the horse and handler pair should be cooperatively working together to best show the horse's desirable halter characteristics. The condition of the horse also is considered.
