All prizes are donated by community-minded companies and individuals who believe in rewarding academic excellence. This program allows the Fair, its partners, and the community to recognize these students for all their hard work and incredible scholastic achievements. It also provides the opportunity for Fresno County schools to utilize this program to encourage and motivate students to work hard at school, so they can get their GPA to a 4.0 and qualify to participate!

During the past 12 years of the 4.0 & Above Program, Fresno County 8-12th grade students have won over \$769,000 in scholarships and 11 Toyota Corollas, among other prizes! This amazing program would not be possible without the incredible generosity of our sponsors and donors. All prizes are donated by community-minded companies and individuals who believe in rewarding academic excellence. Last year's car winner was, Sophia Santos from Sanger High School!

Eligible students should have received their 4.0 Entry Ticket Flyer from their school, which will get your 4.0 student into the Fair for free on October 2, and has the drawing entry ticket to fill out and place in the tumbler for their chance to win! If your 4.0 student has not received their brochure with pass, please contact your school.
