Mommy Zone

Mommy Zone is a convenient and private area for mothers (and fathers too!) to change diapers and feed their infants while at the Fair. The air-conditioned space provides a must-needed quiet space for parents with kids at the Fair. The Mommy Zone is located just inside the Chance Avenue Gate Entrance and is proudly presented Valley Children's Healthcare.

Found Children's Gingerbread House

Established in honor of the Fair's the late Rick Fatland, the Fair's longtime Voice of the Fair who had a passion for serving the children in the community and at the Fair. The whimsical Found Children's Gingerbread House is located just inside the Chance Avenue Gate and aims to provide an inviting place for those children, and sometimes adults, who get separated from their families at the Fair. This number has drastically dropped since the Fair implemented the complimentary wristbands to place on children with the parent's cell phone number; these are given out at the information booth just inside each entrance gate. The Gingerbread House has tables and chairs with coloring books and games, stuffed animals and more. It is also the headquarters of the Fair's Guest Services. The Found Children's Gingerbread House is proudly presented by Valley Children's Healthcare.
