Showcasing Fresno County's Agricultural Abundance!**

Come experience Valley-grown fun at the 2024 Big Fresno Fair! To get your daily dose of fruits and vegetables, visit the Agriculture Building presented by Save Mart and Valley Children's Healthcare. Each year, people come from all over the world to see what the diverse agricultural communities of Fresno County have grown this year. Presenting their best-looking fruits, vegetables, nuts, herbs and grains, all are judged and displayed at The Big Fresno Fair for everyone to enjoy.

**Nine Community Booth Displays!**

Local communities construct their own Fair booths every year in order to showcase the most famous agricultural products grown in their own backyard. The communities that are participating at this year's Fair include: Coalinga, Fowler, Kerman, Kingsburg, Laton, Parlier, Reedley, Sanger and Selma. Thanks to dedicated volunteers in these communities, their booths are constructed before the Fair even begins. Among these combined exhibits are more than 350 varieties of fruits and vegetables on display - making this building one of the largest agriculture buildings in the nation!

Not only are the community booth displays judged, but there are more than 83 different Divisions and Classes that are judged from each of the communities. Judging begins on Monday, September 30 at 8 a.m. The second round of judging takes place on Tuesday, October 8 at 12 p.m.
