

## 311

### Table Mountain Concert Series Presented by Modelo Especial and Toyota

311 is bringing the heat to the 2024 Big Fresno Fair on Wednesday, October 9 at 7 p.m. as part of the Table Mountain Concert Series presented by Modelo Especial and Toyota.

Founded in Omaha, Nebraska in 1988, 311 quickly gained popularity for their distinctive blend of rock, reggae, hip-hop, and funk influences. Known for their energetic live shows and chart-topping hits, 311 continues to captivate audiences worldwide with their unique sound and engaging stage presence. Beyond music, 311 has cultivated a dedicated, multigenerational fan base, solidifying their influence in alternative rock.

Throughout their career spanning over three decades, 311 has earned numerous awards and accolades, solidifying their position in alternative rock. Consisting of nine studio albums and over 8 million albums sold worldwide. Numerous chart-topping singles such as "Down," "All Mixed Up," and "Amber" have collectively spent over 25 weeks at the top of the Billboard charts. Their genre-defying approach has garnered them recognition, including multiple Billboard Music Awards, eleven top 10 hits on the Alternative Songs chart, and a dedicated fan base spanning multiple generations.
