Dept. 11/Div. 205 Junior Beef Replacement Heifer

Entry Fees:	\$35.00 per entry
Entry Deadline	April 26 th 2023
Pre-Weigh In	May 3 rd or May 4 th , 2023
Limit:	Two Entries Per Class Per Exhibitor
Type of Judging:	Danish
Weigh In Date:	Wednesday, September 6
Eligible Exhibitors	10A District Residents Only Bill of Sale or Brand Inspection; Preg. Check Verification from veterinarian dated within 10 days of fair move in
Required Documents	

- Class 1 Fall Calving Heifer – estimated calving date (Sept. 15 through Dec. 19)
- Class 2 Spring Calving Heifer – estimated calving date (January 1 through May 1)

Heifer Eligibility

Registered or grade beef replacement heifers are eligible projects. Grade heifers must be without horns. The sire of the heifer must be of a beef breed. If an exhibitor declares that the heifer is registered, the registration papers must be signed off and submitted to the Livestock Office before the heifer will be allowed to sell. Heifers must be bred and purchased from a breeder in Modoc, Siskiyou, or Klamath Counties. The age limit for a heifer is a minimum of 15 months and a maximum of 30 months on the opening day of the fair. Heifers must weigh a minimum of 900 pounds at the weigh-in during the fair. These requirements will be verified at the scale by the certified weigh master, the attending veterinarian, and fair management. Those heifers that do not meet criteria will be disqualified from show competition.

Ownership Requirements and Project Agreement

The members must have ownership of their heifer no later than 120 days before fair. Heifers must be weighed and tagged at the pre-weigh in to be eligible. The original Bill of Sale must be retained by the exhibitor and presented to the State Brand Inspector at the Fair.

Substitutions

If a breeding or health problem should occur, as evidenced by a veterinarian of the 4-H Leader/FFA Instructor in charge, a substitute heifer may be allowed if owned by the member on or before the 120 day ownership requirement and was tagged and weighed.

Breeding and Project Management

Heifers will be preg-checked on weigh day at the Fair by a veterinarian specified by Fair Management. Heifers that are not bred within the specified calving times will be disqualified from show competition. Heifers may be bred naturally, or by artificial insemination. They should be bred to bulls with low birth weights in order to reduce difficulty in calving. Accurate records must be kept on the heifers. It is important that members have dates written down as to when the heifer was exposed

Health

At the start of the project, members should seek advice from a local veterinarian about preventing diseases such as Leptospirosis, Vibriosis, Anaplosmosis, and Brucellosis. State law requires that beef heifers over twelve (12) months of age show evidence of the calfhood brucellosis vaccination if they are sold within the state of California for breeding purposes. Therefore, it is mandatory that the brucellosis ear tag number (orange metal clip number) and tattoo number be entered on the entry form. Those heifers having no tattoo shall be disqualified from show competition.

Judging

The Danish System of Judging will be used, giving an exhibitor three (3) possible group placings; Purple, Blue and Red. A Grand Champion and Reserve Grade Champion Beef Replacement Heifer will be selected by the judge(s). Heifers awarded purple and blue ribbons in show competition will qualify for the Beef Replacement Heifer sale held during the Fair. Heifers that receive a red ribbon do not qualify for the sale and will not be allowed to sell in the Replacement Heifer Sale. Heifers that qualify for the sale are not required to sell, but must inform the livestock office within one hour following the heifer show in order to be removed from the sale order. The Grand and Reserve Champion heifers must sell in the Replacement Heifer Sale.

Replacement Heifer Sale

An exhibitor may enter and exhibit up to three (3) beef replacement heifers, but not sell more than one beef replacement heifer at the fair per year. Only those heifers placing in the top two groups (Purple and Blue) will be eligible to sell. If a heifer calves during the Fair and has qualified for the sale, she will be eligible to be sold with the calf by her side provided that the calf is healthy and the heifer is controllable. The decision will be made by fair management.

Release of Replacement Heifers

The fair would prefer that the replacement heifers sold in the Heifer Sale stay on the fairgrounds throughout

the week of fair and released on Sunday during the scheduled release time. If a buyer requests to transport their purchase(s) immediately after the sale, permission must be obtained by fair management and load-out guidelines provided by fair management must be followed in order to ensure the safety of the public and non-interference with fair-time events.

Heifers who do not qualify for the sale must remain on the fairgrounds throughout the week of fair and will be released at the normal scheduled release time.

Temperament of Heifer

Heifers must be gentle and trained to lead with a show halter. The Fair Management reserves the right to disqualify any animal as ineligible for show competition, and order the removal of any beef entry that is not gentle and properly halter broke to lead, and which could therefore endanger other exhibitors and Fair-going public. In the event that an animal injures a member of the Fair-going public, the exhibitor is liable.

JUNIOR EXHIBITOR BEEF BREEDING

(9 years old as of Jan. 1st through December 31st of the year that they turn 19)
