Virginia Tucker

August 1, 1953 – April 8, 2023

Virginia worked in the Antique Building for more than 15 years, first as a clerk, then as Superintendent. She became a beloved fixture at the Twin Falls County Fair. Fair was her favorite time of year, as the community celebrated the past, present, and future generations, and traditions of Twin Falls County. She worked tirelessly to make the Antique Barn successful, seeking out family, friends, and community partners to help. Virginia worked diligently to gain community sponsors to help maintain and make improvements in the Antique barn and for special awards for the winning exhibitors, every year.

She never passed up the opportunity to talk about the four generations of her family that worked with her in the Antique barn. Virginia's infectious smile and laughter welcomed exhibitors and patrons alike every year. There were no strangers, as she shared her love for antiques and community with everyone. Antique Singer sewing machines were her passion and her talent for sewing was phenomenal. Her knowledge of antiques was extensive, and she was an asset and friend to the fair, as Antique Superintendent.

The lady who always wore a hat and smile left a mark in this community that will not be forgotten.

We honor Marjorie L Schmoie every year with the Traveling plaque to the Best of Show exhibitor. She was born in Idaho and lived in Filer for the past 30 years. While living in California, she dug up an old sun-colored Folger's extract bottle, which led to her collecting all types, colors, and sizes. Over the past 30 years, she entered thousands of antiques in the Twin Falls County Fair, winning numerous ribbons. She was constantly researching information about her antique items. Her enthusiasm for antiques encouraged others who knew her to enter items in the Fair. She enjoyed attending the Twin Falls County Fair every year with her family to see all the fair entries.
