## RULES

The purpose of this competition is to allow Twin Falls County FFA members an opportunity to showcase their skills, talent, and hard work to the public.

- To be eligible to participate youth must be official FFA members in good standing from a Twin Falls County FFA Chapter.
- **Members are eligible up to the summer immediately after graduation.**
- **Member may submit only one entry per class.**
- **Interview participants will not receive a score if not wearing FFA Official Dress.**
- **Projects will be judged in the Class and Lot they have entered in.**
- Best overall project will receive Judge's Choice Award.

### Competition components:

- Project – Projects may be completed using any tools/machines available, including CNC plasma, MIG, ARC, TIG, Oxy-fuel, etc.
  - Plans and student information – Participants are required to submit a binder with the following information:
    - Cover
      - FFA member name
      - Project name
      - FFA Chapter that member is registered in.
      - FFA advisor's name
    - Plans, bill/receipts of materials, photos, and any other information exhibitor wishes to include inside the binder.
- (The binder will remain with the project thru judging and display during the fair.)
