More Helpful information

- 1. You don't need to be a runner** - The Farmer Sydney's Krazy Kolor Fun Run - in KOLOR is a beginner's dream: it's not timed, families and children are welcome, and there will also be many walkers.
- 2. Bring a towel** - You will need a towel to sit on in the car after the race.
- 3. Wear a white T-shirt** - Make sure to wear a white T-shirt to enjoy the splash of KOLOR!

4. **Bring a buddy** - This is definitely a fun run with lots of teams, groups of friends, and families. Adding to the social feel of the Farmer Sydney's Krazy Kolor Fun Run - in KOLOR, the finish-line celebrations consist of a huge dance party and a Color Blast. Because of the party element and the absence of a timed race, it's one event that is better enjoyed with friends

5. **The cleanup** - The colored powder is only colored cornstarch, but there is still a slight chance it can stain. Don't wear anything that you'll be upset to lose. While the colored powder will most likely come out in the wash, there's a slight chance it won't depending on how much it has set. Use cold water when washing!
