

**FRYEBURG FAIR  
2018  
SUMMARY  
DEPT 4, 5, 8 SHOW STEER AND OXEN**

**NUMBER OF EXHIBITORS** 68

The age group ranged from 9 years old to 88.

**NUMBER OF TEAMS OF OXEN** 111

-The variety of cattle breeds participating in this year's fair were Shorthorns, Swiss, Devon, Holstein, Linebackers, Hereford, Ayrshire, Randall, Dutch Belt, Normand and many other cross breeds.

**NUMBER OF LOTS** 523

Our singles class this year was separated into two lots making for smaller numbers of entries particularly in the low weight classes where we would ordinarily have had 30-40 participants.

**NUMBER IN SCOOTING** 41

**NUMBER IN PARADE** 34

**NUMBER IN PHOTO SHOOT** 112 PAIRS

This number was a little less than last year when we had 131 pairs, but an assembly of yoked oxen for this amount is impressive in of itself.

**DEMONSTRATION:** We held our demonstration on Monday and exhibited the following:

- Various types of yokes, from the standard double to a single and a triple yoke
- Various working means of working the cattle such as scoots, boats, carts and wagons
- Various exhibitors, particularly the youngsters spoke about their cattle as to what they were fed, how they were exercised and how much time they worked with them on a daily basis.
- Leaders of the various 4H clubs spoke of their member's accomplishments through the year at various fairs and events such as the Big E.

Overall, we had a very successful fair and our exhibitors enjoyed the events and camaraderie exchanged with fellow teamsters.
