Dear 4-H Youth,

Below you will find a check list for your participation in the New England 4-H Fair Regional Horse Show. Please be sure to read each item and complete what is requested.

1. I am between 12 and 18 yrs. old in 4-H years, and officially registered with my state for 4-H program year 2021.
2. I understand the New England 4-H rule book will be used as the official rules. *see rulebook online for details. New England rulebook is available online @: http://www.4-h.uconn.edu/
3. I have my approved animal verification/approval form for each horse I am bringing.
4. I have a health certificate (This is an EASTERN STATES REQUIREMENT) for the equine (s) I am bringing to the ESE grounds in July and understand I can bring more than one horse if I choose to. Every exhibitor MUST check in at the show office on arrival to present health papers (to include health certificate, negative coggins within a year of the show date and current rabies certificate) and receive my show number.
5. I have arranged for my own transportation to ESE grounds for this July event.
6. I understand all horses will be housed in assigned stalls in Barn C (stall maps will be on end of isles).
7. I understand that I need to provide notice to the show committee how many horse stalls I will need.
8. I have arranged for my own lodging, *camping, *tenting (*available on the grounds $15 per night. See attached information sheet.)
9. I understand that my parents or an appointed guardian is responsible for me during the entire event and I am participating as an individual not a team member; and that this parent or appointed guardian will need to be on the grounds with me for the duration of the show.
10. I understand that I may enter any class my horse is eligible for.
11. I understand that if I need and request a hold, the class will only be held 3 minutes. Class order can be changed by the show committee if a situation warrants it.
12. I understand that there will be high point rider, driver, and small equine event end awards.
13. I have remembered my hay, grain, and bedding (bedding and hay will be available for purchase through the ESE feed store ask for pricing at the show office. There will be NO grain available.)
14. I have remembered all my tack (including my helmet) and show attire that I may need.
15. I understand that announcements are a courtesy, and I will be responsible for getting myself to classes on time.
16. I understand the entry deadline is July 9, and no entries will be accepted after that, however add/drop forms will be available at the show. Classes must be added at least 2 classes prior to the class you want.
17. I understand that all entries will be done through google forms.
18. I understand that I can enter the show grounds after 6pm on Monday July 26. Please do not arrive after 11pm Monday or before 5am on Tuesday.
I understand the show office will be open 9am -7pm Tuesday, 7am - 7pm on Wednesday and 6:30 am - 12Noon on Thursday.

I understand there will be an official show steward in attendance. Small Equine and ponies will need to be measured at the show prior to the start of the show.

I understand that I am responsible for doing my own fitting and my parents/trainer will not help me fit my horse. I also understand that coaching from the rail is not allowed at a 4-H show.

I understand all classes will be placed 1-10 and fitting and showmanship will include Danish ribbons.

I understand that if I am hauling in every day rather than staying overnight, I will park at the direction of the show committee.

I understand there will be “quiet time” meaning no schooling between 11:00 pm and 5:00 am

I understand that the judge’s decisions are final. There will be protest forms available for a fee at the show office.

I understand there will be a pre-show exhibitor meeting to update any rules applying to the show due to COVID and other related issues.

I understand that any gait faster than a walk will need to be performed in an official show ring or approved exercise area.

THE COMMONWEALTH OF MASSACHUSETTS 2021 ANIMAL HEALTH REGULATIONS: are available here: https://www.mass.gov/massachusetts-agricultural-fairs-program

Any of the above rules may be changed as deemed necessary by the 4-H Horse Program Committee. The interpretation of all the 4-H Horse rules will be determined by the 4-H Horse Program Committee.

The Cooperative Extension System 4-H Youth Development program prohibits discrimination in education, employment, and in the provision of services on account of race, ethnicity, religion, sex, age, marital status, national origin, ancestry, sexual orientation, disabled veteran status, physical or mental disability, mental retardation, [and] other specifically covered mental disabilities, [and criminal records that are not job related].

The signatures below signify that I and my parent/guardian have read, understand and agree to abide by the Rules and Regulations identified above. These signatures also certify the facts contained in the above to be true and the applicant meets the eligibility qualifications of the Rules and Regulations. The applicant also agrees to participate in all activities and to be present at assemblies of this 4-H Activity. Entrants will be responsible for their animal including any damage occurring to the animal or by the animal while on the grounds.

Loss Or Damage: All exhibits will be under the direction of Eastern States Exposition Management, who will exercise every reasonable care in the protection of exhibits. In no case will Eastern States Exposition or management be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage to any animal; or loss, injury or damage done by or arising from any animal exhibited by him/her and shall indemnify Eastern States Exposition against legal or other proceedings in regard thereto.
My parent(s) and I have read this information and by signing below agree to follow the New England 4-H Horse Show Rulebook and Show Committee instructions for this show as well as note we will abide by all notices listed above.

OBJECTIVES FOR THE NEW ENGLAND 4-H PROGRAMS

The 4-H program at The Big E is a cooperative effort with the Eastern States Exposition and the Cooperative Extension Systems of the New England States working together toward common objectives. These objectives are:

1. To motivate and recognize the achievements of 4-H members and their volunteer leaders.

2. To give the general public attending The Big E a better understanding of 4-H educational efforts including the organization, program, and accomplishments.

3. To provide educational experiences for 4-H members that are not available in the individual states.

4. To make 4-H programs and activities visible to the general public across the grounds of The Big E.

5. To expand the image of 4-H as a total diverse youth development program.

6. To ensure quality educational activities both for the 4-H participant and the general public.

7. To identify 4-H as an integral part of the Cooperative Extension System and the land grant universities of New England.

8. To involve youth as equal partners in full decision-making roles at all levels of program decision-making.
OPENING SAFELY - Guidelines and Procedures for Summer 4-H/YWS Event

Eastern States Exposition, along with public health officials, strives to present a clean, safe environment and to communicate with guests the changes to expect to experience this 2021 summer 4-H/YWS Event. Please check our website consistently for postings regarding COVID Safety https://www.easternstatesexposition.com/covid19

Arrival:

All animals and participants should arrive during their activities check in time. Schedules are available in the activity packets. All animals must have a CVI (health papers) and will be verified and inspected for health on their arrival. See https://www.mass.gov/doc/agricultural-fairs-animal-health-rules/download and also review https://www.mass.gov/doc/ne-fairs-and-shows-cvi-requirements/download

Camping:

The Moses 4-H Dormitory will not be open this year. Camping is available for parents and committee members on the grounds of ESE. Camping (RV or tent) is charged $15 a day and payable via credit card or cash at the gate as you enter the grounds. Camping is available on a first come, first served basis. There will be plenty of spots available for your RV’s near the Mallary complex or in the horse show area. You will be directed by the gate personnel where to go.

All those wishing to camp with tents – (We will have WBYoung open across from the Mallary complex and cordoned off for family groups. Bathrooms will be available in WB Young. Shower and bathrooms will be open in Mallary. All showers in the visitor’s center at Gate 1 will open for Horse Show camping area as well.

Hotels – There is a list of hotels at info@explorewesternmass.com

Feed Store:

The ESE Feed Store will be available during the event for your needs. ESE will provide the bedding necessary for your show. All contestants should plan on bring their own feed and hay for this event. Call 413-205-5307 or email FStore@thebige.com to pre-order your supplies.

Food: After many years of dedicated service, the church ladies and gentlemen notified ESE this week they will no longer be running the Moses cafeteria. They were a tremendous asset to our program and will be missed. There will be a food stand in the Coliseum and one open down in Mallary. ESE will not be paying for 4-H meals, all participants are responsible for their own food.

Night people: Each state may have one night person stay in the barn. We will be stalling states by aisles.

Chaperones: Each state is responsible for delineating how it will handle availability of chaperones. Parents/guardians are responsible for their children unless their respective state program offers other accommodations.

2021 Animal Health Rules for Fairs and Shows

Special Note: Massachusetts COVID-19 response orders supersede all other exhibition guidance. Please visit mass.gov/covid-10updates for the most current information and updates.

In addition to complying with all laws and regulations governing animal health issues all fairs must adopt and enforce the following rules for governance of the fair.

NO animal will be admitted to the fairgrounds unless it meets the requirements below. NO animal is to be unloaded or enter a barn or tie-out stall until the animal and its paperwork have been inspected and approved for entry.

A. General Rules for All Animals: See M.G.L. c. 128 §2C, 129 §2
1. All animals must be in proper physical condition, be properly identified and free of visual evidence of infectious, contagious or parasitic disease at time of arrival. Specific diseases and conditions which will disqualify an animal for entry are identified for each species in the following sections of the rules. Animals of any species with open or draining wounds will not be approved for entry.
2. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. THE INSPECTOR'S DECISION IS FINAL.
3. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly-licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
4. Official ID: See Final Rule: Summary of Traceability for Livestock Moved Interstate (Summary of general Requirements by Species)
   All livestock must have proper official, individual ID as required for the species, e.g., official metal ear tag, tattoo, scrapie tag, or microchip. Registration forms must accompany health certificates when used as part of official identification.
5. Health Certificates: --
   One Official Certificate of Veterinary Inspection (OCVI) may be allowed for animals of the same species to be exhibited at fairs or shows in any of the New England states (CT, *ME, MA, **NH, RI, and ***VT) when submitted with an itinerary of the dates and locations of the events at which the listed animals are expected to be shown. Only animals that are healthy at the time of shipment may be moved. Note that *ME, **NH, and ***VT have additional requirements. Certificates of veterinary inspection in these states are valid for a shorter period of time and may have additional language, movement and permit requirements.
For the 2021 Show and Fair Season, livestock animals being exhibited in New England states must have official certificates of veterinary inspection (OCVIs) that meet the following requirements:

a. **MA** and **RI**: OCVIs issued on or after **January 1, 2021** may be used for those animals being shown at multiple fairs and shows in **CT, MA**, and **RI** through the 2021 show/fair season ending October 31, 2021.

   i. **CT** and **ME**: An importation permit for exhibition animals is also required. Contact **CT Dept. of Agriculture (860-713-2504)** or **ME State Veterinarian’s Office (207-287-3701)** for permits or questions.

   ii. **MA** -Note: The Big E Fairgrounds in West Springfield requires a CVI issued within the prior 30 days for all horses entering the premises for any show, fair, or exhibition.

   iii. **NH**: **NH**: To qualify for the extended CVI, animals exhibited in **NH** must originate in a New England state and move on OCVIs issued on or after April 1, 2021 to participating **NH** fairs and shows from **July 1 to October 31**. The extended CVI is **not available for animals that do not reside in New England**. Contact **NH State Veterinarian’s Office (603) 271-2404 for details and permits**.

   iv. **VT**: Contact the **VT Animal Health Office (802-828-2421)** for specific import requirements that deviate from the general information in this letter and must be met for legal import of livestock.

b. A single OCVI from the animals’ home state may be completed for travel to and from the New England states in which the animals will be exhibited. **MA animals being shown ONLY in MA may substitute a signed, dated letter on the letterhead of an accredited veterinarian for an OCVI if all required information is included and all additional requirements are met**.

c. Multiple animals of the same species may be listed on one health certificate with appropriate individual IDs and descriptions. Animals of different species may not be listed on the same official health certificate.

d. **An itinerary of the names and locations for each New England fair or show at which owner expects to show the listed animals and the dates when each animal is expected to be on each site, must be prepared by the owner and presented to the veterinarian at the time the OCVI is written**.

   i. A copy of this planned itinerary must be attached to the official health certificate (**import and export** for it to be used for more than one fair or show.

   ii. That proposed list should be signed by the veterinarian and the owner/ exhibitor and reference the relevant OCVI number(s).

e. The name and address of the first show or fair where the listed animals will be exhibited is to be used as the “destination” on the OCVI form. In addition, “See attached list” or a similar statement directing Animal Health Officials or Fair Inspectors to the attached proposed itinerary must be included.

f. Exhibitors must keep an accurate list of the show locations and dates when their animals were actually on the show/fairgrounds. This record must be available to fair inspectors at each inspection and check-in.

g. Any animal listed on an OCVI that becomes sick must remain home. If the animal is refused entry to any exhibition during 2021 for health reasons it must have a new health certificate issued by an accredited veterinarian within 30 days of the next interstate movement.

h. Any New England state may end their participation in this agreement and revert to the standard published requirements for livestock imports in the state at any time, in the event of foreign animal disease outbreak or changes to state legislation.

All petting zoos are required to have a USDA APHIS Exhibitor’s License (as needed) and valid 2021 health certificates.
ADDITIONAL REQUIREMENTS FOR EACH SPECIES ARE LISTED BELOW

B. Cattle: See M.G.L. c. 129 §§2, 39 and 330 CMR 4.04(2).

1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and in-state animals. Current brucellosis and TB status in the exhibitor’s state can be obtained from the state veterinarian’s office in each state. If the exhibitor’s state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Division of Animal Health for entry requirements (617-626-1795). All animals must be free of visual evidence of the following diseases and conditions: foot rot, mange, pinkeye, ringworm, warts, cowpox and open or draining wounds.
2. While not required, it is strongly recommended that all cattle be currently vaccinated for rabies.
3. Note: The Big E is requiring RFID official identification tags for all cattle entering the Big E Fairgrounds premises in 2021. Other fairs may add this requirement. Contact fair office with questions.

1. No poultry will be admitted to a fairground until it has been individually inspected.
2. All poultry must be free of visual evidence of the following diseases: infectious bronchitis, coryza, pullorum-typhoid, fowl-pox, external parasites and laryngotracheitis.
3. Each bird must be accompanied by written proof (ID card or test report) that the breeding flock was blood-tested negative for pullorum-typhoid within one year prior to entry date.
4. Birds from quarantined states will not be permitted entry.
5. All birds over 16 weeks of age as of January 1, 2021 shall be individually leg banded with a state leg band. This includes out of state exhibitors.
6. No bird vaccinated for laryngotracheitis within thirty days of the fair will be admitted.

D. Goats: See M.G.L. c. 129 §2, 9 CFR 79.6 and Massachusetts Emergency Order 1-AHO-06.

1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and in-state animals.
2. All goats and kids presented, regardless of age, must be individually listed and identified on the health certificate. All goats must be free of visual evidence of the following diseases and conditions: foot rot, mange, pinkeye, ringworm, warts, pox and open or draining wounds. All goats must also be free of sore mouth and scrapie exposure.
3. Based on the Federal Scrapie Eradication Program (FSEP), goats and sheep of any age or sex brought to show or exhibition from either out of state or within state must possess a USDA official individual identification tag or registry tattoo accompanied by current registration papers consistent with the requirements of the FSEP and the Massachusetts Emergency Order 1-AHO-06. Information is available from USDA-APHIS at 508-363-2290.

E. Camelids (Llamas, Alpacas, etc.): See M.G.L. c. 129 §2, M.G.L. c. 131, §23, §21 CMR 9.02.

1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and in-state animals. Current brucellosis and TB status in the exhibitor’s state can be obtained from the state veterinarian’s office in each state. If the exhibitor’s state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Division of Animal Health for entry requirements (617-626-1795).
2. All Camelids originating from outside the Commonwealth are required to be tested for Blue Tongue.
   Exception: Animals from a USDA declared “Low Incident State” are exempt. New England and New York are low incident states.
3. All animals must be free of visual evidence of the following diseases and conditions: foot rot, mange, pinkeye, ringworm, warts, pox and open or draining wounds.
F. **Swine**: See M.G.L. c. 129 §14E, 330 CMR 11.04(2), 9 CFR 71.19

1. All swine must be identified by an official ear tag or registration.
2. Swine must be free of visual evidence of the following diseases and conditions: erysipelas, atrophic rhinitis, mange and open or draining wounds.
3. No person shall import into Massachusetts from outside the state any swine which have been pseudorabies vaccinated. M.G.L. c. 129 §14E.
4. No person shall import into Massachusetts swine from Stage I or Stage II Pseudorabies States.
5. All swine shall originate from qualified pseudorabies-free herds or monitored herds in qualified pseudorabies free States only. The pseudorabies status of the exhibitor’s state can be obtained from the state veterinarian’s office in each state.

G. **Sheep**: See 9 CFR 79 and Massachusetts Emergency Order 1-AHO-06.

1. No sheep will be allowed entry from flocks in which Scrapie has been diagnosed or in which animals are under surveillance for Scrapie during the previous eighteen months. Based on the Federal Scrapie Eradication Program (FSEP), goats and sheep of any age or sex brought to show or exhibition from either out of state or within state must possess a USDA official individual identification tag or registry tattoo accompanied by current registration papers consistent with the requirements of the FSEP and the Massachusetts Emergency Order 1-AHO-06. Information is available from USDA-APHIS at 508-363-2290.
2. No sheep will be permitted entry from flocks in which soremouth has existed or in which soremouth Vaccine has been administered in the previous sixty (60) days.
3. Sheep must be free from visual evidence of foot rot, sore mouth, pink eye, ringworm, and open and draining wounds. While not required, it is strongly recommended that sheep be currently vaccinated against rabies.

H. **Equine**: M.G.L. c. 128 §§2C, 44, 330 CMR 16.05.

1. All equines entering a Massachusetts fairground must have a valid health certificate.

   Note: The Big E Fairgrounds in West Springfield requires a CVI issued within the prior 30 days for all equines entering the premises for any show, fair, or exhibition.

2. All equines must be free of visual evidence of the following diseases and conditions: mange, ringworm, soring, strangles, and open or draining wounds.
3. All equines originating from within and outside of the Commonwealth must have a negative USDA-approved EIA test (i.e., Coggins test or ELISA test) dated within twelve months of entry.
4. While not required, it is **strongly recommended** that all equines be vaccinated for rabies, tetanus, EEE and WNV within one year of the fair.

Contact the Massachusetts Division of Animal Health at 617-626-1797 or 617-626-1795 for further information.
Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE National Code of Show Ring Ethics,” fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and
analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal’s condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules
may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
