CATERING
2022
For more than 80 years, you have trusted Centerplate Sodexo Live! to deliver extraordinary experiences through thoughtful hospitality, while upholding the highest levels of food safety and sanitation. COVID-19 affected our world. We share your dedication in ensuring we all stay healthy; as individuals, workers, families and communities.

Even with the vaccines helping us to see the finish line and mandates being lifted, our highest priority will continue to be the focus on health and safety of our team members, partners and clients, like you, who power our industry's future. Please see our in-depth enhanced protocols sheet for details on our 3 S's – Sanitation, Safety and Service for more information.

Our professionally trained chefs and our staff are required to uphold the highest levels of hygiene, safety, and health codes. Our culinary team has changed the recipe for success by taking this opportunity to create new “comeback” menus that will adapt to the specific needs of its customers, location and service layout by incorporating concepts like enhanced bento-style breakfasts, grab 'n go snack box and individual servings. Our team looks forward to customizing menus to meet your needs and comfort level.

Some catering changes that you will see are single serve condiments, wrapped cutlery and for plated services, individual bread & butter plates instead of in a bread basket to avoid any cross-contamination. Additionally, Centerplate provides sanitization attendants with all catering functions. Their role is to continuously clean & sanitize frequently touched surfaces. These steps we are taking will enhance the customer experience to help bolster their confidence in attending events at the Baltimore Convention Center.

As always, we appreciate the opportunity to be part of your catering needs. Our responsibility will be to respect how our new normal impacts you, what actions we need to continue to keep you safe and how we can support you as you continue to do business for today and tomorrow.
Welcome to Baltimore, the “Charm City,” a world-renowned destination for sophistication and style — where the natural beauty of ocean and bay is matched only by the warmth and energy of an exciting community.

Centerplate Sodexo Live! is a leading global event hospitality company, and we are thrilled to be your exclusive hospitality partner at the Baltimore Convention Center.

Our style is collaborative, and our Baltimore team is delighted to work with you to ensure your experience here is smooth, successful and enjoyable. We are committed to delivering the finest food, amenities and service to impress your guests.

Much of our success comes from our attention to the important details that create truly welcoming experiences. From fresh, locally-sourced and quality ingredients to crisp, sincere and attentive service, our goal is to provide world-class hospitality for every one of your guests.

We look forward to serving you.

Here’s to your successful event in Baltimore!

**OUR COMMITMENT TO QUALITY**

Our meticulous quality assurance programs ensure we have the right systems and people in place to deliver the outstanding results our hosts seek.

We are very supportive of offering healthy choices at events by providing a wealth of fresh, customizable, and varied options that include low-calorie, low-salt, low-fat, low-sugar, vegan, and gluten-free offerings, among others. Fresh fruit and vegetables, meatless entrees marketed to the mainstream, and light options are all very popular among our attendees.

Our catering menus include fresh fruit platters, fresh vegetable crudité, grilled vegetable platters, customizable salads, fresh fish, grilled chicken, farm fresh vegetables, whole grain side selections, hummus and carved-to-order roasted turkey, fish and lean meats.

Our culinary staff is available to assist event planners throughout their planning process to design menus that are appealing, affordable and in keeping with their wishes. We solicit event organizers to determine the best selections and special options for their guests.

We have a wide variety of beverages, snacks, and main course options at every meal as well as retail and grab-and-go. Lean proteins and whole grains are available, as are water and unsweetened beverages.

Many of our event services include Chef-attended action stations where guests may assemble their own ingredients for preparation, having control over what and how much goes into a dish.

We partner with community-based organizations to minimize the waste of leftover items that provide for Maryland’s underserved.

Menu Selection
Our knowledgeable Catering Sales Team is eager to assist you with your event planning, menu selection and to answer any questions or concerns you may have.

Even though our menus offer a wide variety from which to choose, your Catering Sales Manager will be happy to work with our Executive Chef to design menus to suit your special occasion.

Food and Beverage Pricing
A good faith estimate of Food and Beverage prices will be provided six (6) months in advance of the Event’s start date and will be confirmed at the signing of the contract. Due to fluctuating market prices, however, we reserve the right to make product substitutions based on specific commodity price increases.

Contracts
In order to execute your event, a signed copy of the Banquet Contract and Banquet Event Orders (BEOs) must be returned to Centerplate prior to any services being provided. The signed contract, with its stated terms, constitutes the entire agreement between the client and Centerplate. In addition, full payment for all services must be received in advance of your first event.
