Committed. Experienced. Trusted.

Award-winning care, here at home.

For more than a century, Dignity Health has provided accessible, high-quality health care services to Bakersfield and the surrounding Kern County community. Established as a response to the region's health needs, we are continuously committed to ensuring every patient is treated with compassion and humankindness. Each hospital is also supported by an active philanthropic foundation, providing additional funding for new programs, services, and technologies in order to advance our community's access to leading-edge health care.
