A group of vehicles will be permitted to enter, load, and exit before the next group of vehicles will be permitted to enter the fairgrounds. This will facilitate better access to driveways and loading chutes for faster removal of livestock exhibits. Please comply with fair staff and security in this matter. Absolutely no vehicles are permitted on fairgrounds before 4:00 p.m. Sunday, to pick up tack or animals.

VIOLATION OF RULES & DISQUALIFICATION

35. Violation of rules and/or misconduct by any exhibitor, adjudicated by the on-the-spot committee, may result in forfeiture of premium money and/or nullification of proceeds from sale through the Junior Livestock Auction and return of animals to that particular exhibitor. All market animals will be terminated and sold at market price as posted on the day of livestock auction.
36. Exhibitors are urged to remember that the continued growth and development of the fair depends, in a large measure, upon the interest and support of their fair-going neighbors and the general public. *** SPECIAL POULTRY NOTICE: ***

Because of California State Poultry Health Regulations, all birds entered in the Fair must first pass through a certified poultry health inspection before being placed in their show cages. A special inspection site will be placed on the fairgrounds and birds must pass through this station before entering the poultry building. A notice will be sent to each exhibitor entered in the show, giving the location of the inspection station.

The Salinas Valley Fair remains committed to hosting a quality poultry exhibition. Health checks are mandated by the Division of Fairs & Expositions and will be performed by certified Poultry Health Inspectors (PHI) from one of the designated CDFA/UC certification Programs. The PHI will evaluate the health and condition of every bird entered. As a result, coop-in times may be delayed. Look for signs when you enter the fairgrounds as to where to take your bird(s) for the examination – **DO NOT** proceed to the poultry barn until your bird(s) have been examined. Please make sure you carefully examine each bird before you leave home and follow your regular cleaning procedures. Any birds that show signs of illness, stress, or are not in top quality condition will not be allowed to enter the show. Birds with wing feathers or any other feathers that have been clipped or trimmed will be disqualified.
