LEA COUNTY COMMUNICATIONS AUTHORITY RELAUNCHES FIREWORKS HOTLINE

After its successful inaugural season in 2022, Lea County Communications Authority (LCCA) will reopen the fireworks hotline for citizens to use solely for the purpose of reporting use of fireworks.

LCCA Director Angela Martinez stated that this year three (3) non-emergency numbers will be dedicated to reporting fireworks only.

Citizens throughout the county and all municipalities can use the following non-emergency numbers to report fireworks activity only during the noted dates and times:

June 30 - July 4, 2023, 8:00P.M. - 1:00A.M.

(575) 433-5004

(575) 433-5003

(575) 433-5001

Last year, 62% of calls reporting fireworks went to the hotlines instead of occupying limited 911 lines, the ultimate goal of the hotline.

All Lea County governmental agencies encourage citizens to have a safe and happy holiday.
