Animal Care Committee

The Animal Care Committee is an auxiliary committee under the direction of the CWFSC and for this purpose:

Wyoming State Fair and Central Wyoming Fair Show Committee will develop an Animal Care Committee charged with determining that proper care is given to all species of livestock (as addressed by Wyoming Statute 11-30-114) while they are on the Wyoming State Fairgrounds and Central Wyoming Fairgrounds.

The Animal Care Committee is created for, and charged with upholding high standards of animal husbandry as well as ethical practices of exhibiting animals. The Animal Care Committee shall be comprised of:

A Doctor of Veterinary Medicine currently licensed to practice in the U.S.A.,

1. Two individuals who represent the agricultural and animal industry
2. The Superintendent for each species specific division of the Central Wyoming Fair.

The Animal Care Committee members will review animals in all divisions of the Fair. Each division Superintendent will review animals in their division only.

Members of the Animal Care Committee will be appointed by the CWFSC.

Every exhibitor, in consideration of their entry being accepted by the Wyoming State Fair and Central Wyoming Fair, agrees;

1. To submit any animal so entered to inspection by the Animal Care Committee in promotion of the welfare of all animals entered in the CWFSC. The exhibitor further agrees to have such animal submitted to any tests designated and requested by the Animal Care Committee.
2. The exhibitor agrees that conclusions and decisions reached by the Animal Care Committee shall be final and not subject to review or protest, however, further testing may be done to confirm the initial conclusion(s) and decision(s) of the Animal Care Committee.
3. A unanimous decision by the Animal Care Committee is necessary for disqualification. Selection of confirmatory testing method(s) will be at the discretion and professional opinion of the Animal Care Committee.
4. The animal in question will not be disqualified until confirmatory tests are complete. Cost(s) of confirmatory test(s) will be borne by the exhibitor of the animal in question if the results are positive (disqualification), and borne by the Wyoming State Fair and Central Wyoming Fair if the results are negative.
5. Refer to the Disqualification Rule, of the Wyoming State Fair Premium Book (page 20) in the JUDGES AND JUDGING section.
6. The management team will make this decision if they feel it is necessary for health and/or well-being of animals, public health or other specific health concerns. Any animal exhibiting symptoms of a contagious disease or health concern may be placed under quarantine or removed from the Fairgrounds at the discretion of the species Superintendent, pending verification from a Veterinarian.

Sanitary Regulations/ Veterinarian Inspection

1. All pens need to be cleaned no later than 8:00 a.m. and 9:30 p.m. daily. All waste should be placed in designated area, NOT in the trash cans.
2. 2023 Veterinary Inspection of Live Animals: All exhibitors must obtain a current health certificate from your personal veterinarian. This also includes pocket pets. **The health certificate must be obtained and valid through July 16, 2023.** A Wyoming Certificate of Veterinary Inspection will be required for all animals. The designated veterinarian shall make the final

decision in all matters concerning the health or other issues of a particular animal.

3. All livestock presented for exhibition at the Wyoming State Fair or County Fairs within the State of Wyoming will be considered under quarantine and not eligible for showing until the owner or agent presents the proper health certificate stating the animals comply with the following rules and regulations: Official health certificate must be presented to and approved by the specie superintendent prior to stalling animals in the barn. It is the responsibility of the 4-H/FFA member to comply with all State and show animal health requirements.
4. If your animal becomes sick at the Fair, contact your veterinarian and your specie superintendent so that a record can be made of recommended treatment. Medications will be given with the superintendent present. Refer to VFD USDA guidelines:
5. <https://www.fda.gov/AnimalVeterinary/DevelopmentApprovalProcess/ucm071807.htm>
6. Wyoming State Fair and Central Wyoming Fair Show Committee will develop an Animal Care Committee charged with determining that proper care is given to all species of livestock (as addressed by Wyoming Statute 11-30-114) while they are on the Wyoming State Fairgrounds and Central Wyoming Fairgrounds.

Animal Import Requirements

Import requirement information and entry permits may be obtained by calling the Wyoming Livestock Board at (307) 777-7515

Judging & Sifting

1. **Interference with judging:** If an exhibitor attempts to interfere with the judge in the performance of their duties, by letter, act or otherwise, he/she will be excused from the competition and will forfeit all prizes and ribbons awarded to them.
2. **Sifting:** Judges are allowed to "sift" animals for sale quality (market readiness). Quality is determined by physical appearance in the show ring and ultrasound quality results.
3. Ultrasound results will be evaluated for potentially sifted animals after the show using results based on set standards.
4. Beef judges will be told that no animals with choice scores should be sifted until all standards are considered.
5. All sifted animals will be excused from the Fairgrounds. Barn Superintendents will schedule a release time with exhibitors.
6. If the underweight or sifted animal is the exhibitor's only animal, it may be used for the showmanship contest and then must be taken home after the show.

4-H/FFA SHOWMANSHIP

1. Showmanship is required for all 4-H & FFA members in horse, swine, beef, market sheep, breeding sheep, dairy cattle, dairy goat, market goat, alpaca, poultry, dog, cat, rabbit and pocket pet.
2. No boars, stallions, dairy bulls, beef bulls, or billies will be allowed in any showmanship event. No lactating animals will be shown except for dairy animals.
3. Judging will be on the basis of contestant's ability to present their animal for judging including the movement and positioning of the animal, condition and cleanliness of the animal as it relates to being ready for show. Mannerisms and conduct of the showman are also included.
4. Preparation and showing of animals must be consistent with the Fitting Rules in the specie section of this Fair book. See Fitting Rule page 3 for clarification.
5. **Showmanship exhibitors must show their own animals. Animals must meet ownership requirements and be carried in the current 4-H/FFA project.** Exhibitors are not required to use the same animal for showmanship at State Fair that was used at County Fair, however, ownership and project requirements apply to all animals used in showmanship.
6. **Members are eligible to compete in both 4-H and FFA showmanship in the same species during the same year. However, the animals must be their respective 4-H or FFA projects and have been exhibited in either a market or breeding class.** A Junior, Intermediate, Senior & FFA Champion and Reserve Champion may be selected in each event and be awarded appropriate ribbons.
7. Any Junior, Intermediate, or Senior aged youth that is enrolled in the 4-H project of species that they intend to compete with are eligible to participate at the State Fair. Showmanship contestants must compete with their own animals. Ownership and project requirements apply to all animals used in showmanship.
8. State Fair guidelines will apply to Natrona County 4-H/FFA contests, where this Fair Book does not specifically address a concern.

ANIMAL ELIGIBILITY FOR WYOMING STATE FAIR

Only qualifying animals that have been ear tagged or ID'd may represent Natrona County at the Wyoming State Fair.

4-H ELIGIBILITY

4-H Animals shown at the Wyoming State Fair must be designated to represent Natrona County by the respective Central Wyoming Fair competitions and verified by the 4-H Educator.

FFA ELIGIBILITY

FFA Advisor will designate FFA youth and their projects for Wyoming State Fair. (Animals will meet all the same processing requirements as any other animal showing at the Wyoming State Fair).

4-H/FFA HERDSMANSHIP AWARDS

1. This award will be scored on care and grooming of animals, neatness of stalls and alleys, care of equipment, courtesy to visitors, personal grooming, etc.
2. Stalls/cages must be cleaned by 8:00 a.m. and 9:30 p.m. daily. Judges may "red flag" pens for violations. Youth will be accountable for full care of animals at Fair. Repeat offenders will be sent home.
3. A committee will be appointed to select the award recipients. Herdsmanship will be judged through Saturday evening and awards presented at 4-H Family Night.
4. For overall award, scores from each specie exhibited at Fair will be considered. A club or chapter may receive both the individual specie herdsmanship awards and overall awards.

4-H/FFA MARKET SHEEP SHOWS

1. Market Lambs will be mouthed at weigh-in and must have a full set of lamb teeth.
2. Animals will be weighed and ultrasounded on Sunday, July 9th.
3. Animals entered in these classes must either be ewes or wethers (ABSOLUTELY NO RAMS, CRYPTORCHIDS OR ANIMALS WITH RETAINED TESTICLES) and must be entered in the market classes only. Qualified individuals will be available at the May ear tagging to check all wethers. Ear tagging committee will work with exhibitors who may have suspect animals to get them properly castrated immediately.
4. A \$10.00 per lamb tagging fee will be collected at the May tagging, to go toward sheep improvements at Fair and awards.
5. Lamb weight ranges for **SHOW ONLY** are from 90 to 165 pounds. **Sale weights are listed on page 6.**
6. Underweight lambs (those weighing less than 90 lbs.) will be excused from the grounds at weigh-in. If the underweight animal is the exhibitor's only animal, it may be used for the showmanship contest and then must be taken home after the show. The Barn Superintendent will schedule a release time with the exhibitor.
7. **Weight classes will be determined by sheep committee after weigh-in at Fair. Two entries per weight class are permitted.** First and second in each weight class will compete for face color champion.
8. Because of show lamb fungus, all lambs must be slick shorn before being admitted into the barn.
9. Face color classifications will be determined at the weigh-in and re-evaluated, if necessary, at Fair weigh-in.
10. Speckle face lambs must show mottling or black and white color on the face and/or black spots/speckles on the face, ears, and legs below the knees and stifle joint.
11. Muzzles may be used in pens.
12. All animals not fit for show will be excused from the show ring. Prolapsed sheep will be sent home.

2021 Wyoming State Fair Tail Dock Rules: Sheep presented for exhibit at Wyoming State Fair & Central Wyoming Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Committee, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair and Central Wyoming Fair that are visually examined by the Animal Care Committee and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and

decisions of disqualification by the Animal Care Committee are final and subject to confirmatory testing as specified in the Animal Care Statement section of the WSF and CWF Premium Books.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair and Central Wyoming Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule.

If at any time the Wyoming Board of Agriculture determines that members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair and Central Wyoming Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair, Central Wyoming Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair and Central Wyoming Fair should be docked in a manner that does not compromise the animal's health and well-being.

13. All sheep exhibitors must assist with tear-down at 7:00 a.m. on Sunday, July 16th.
14. Exhibitors are responsible for picking up the appropriate brand inspection papers for their animals before leaving the grounds.

1. All horses must be owned (or legally leased) **LEASE MUST BE RENEWED ANNUALLY** by the individual member, or the member's immediate family by June 15th. A completed 4-H Horse ID is due in the Extension Office by June 15th in order to be eligible to show at the County Fair Horse Show. Horse must be designated as a 4-H or FFA project, not both. Whenever a question arises on horse identification, the 4-H member along with the 4-H Educator, or the FFA member along with the Chapter Advisor, share the responsibility to provide proper proof of ownership. If a horse is registered, it must show in the registered class.
2. **Refer to the current 2013 Wyoming Horse Show rule book for dress code and tack requirements.**
Refer to the 2013 Wyoming 4-H Equine Competition Guidelines book for class descriptions. Natrona County may vary from the description of classes. Any

discrepancies or questions regarding rules herein will be decided by the horse show superintendents, using the Wyoming Junior Horse Show rulebook as a guide.

Note: State Rules may differ! Any exhibitor qualifying for and entering the State Horse Show must follow those rules and regulations at that competition. **All exhibitors must have passed the Horse Safety Certification & endorsements by Monday, July 17, 2023 and successfully completed two horse clinics** (refer to your 4-H newsletter for information) to enter the County Horse Show. Special "endorsements" in speed and increased skilled events must be attained to enter specific classes. For more information, contact the 4-H Office.

3. Horses that present a safety risk will be removed from the grounds and/or show ring.
4. All horse show entries will be entered on-line via the ShoWorks program and must be entered by Thursday, June 15th. **No entries will be allowed that do not comply with these entry deadlines.** Please enter only classes that you are qualified to compete in. Drops from classes (scratches only) must be made before 7:00 p.m., Wednesday, July 19, 2023.
5. **If any exhibitor attempts to interfere with the judges in the performance of their duties, by letter, act, representative, or otherwise, he or she will be excused from the competition and will forfeit all prizes and ribbons awarded to them. Exhibitor may ask the judge a question or clarify a comment while in the ring. Spectators may request to speak to the judge with the show chairman, superintendent and/or 4-H Educator/FFA Advisor present. Request may or may not be granted, at show official's discretion. No other adults allowed in the show ring.**
6. Health certificates are required from the designated veterinarian (within 72 hours of show time) to be allowed on the Fairgrounds. A designated veterinarian will be available Wednesday, July 19, 2023 from 4-6 p.m. at the CWF Indoor Arena. These health certificates along with the horse covered by these certificates are to be presented to the barn superintendent before stalling horses. Stalls will be assigned at Vet Check with the Health Check presented. All horse members will receive entry numbers along with a copy of patterns after the Health Certificate is collected.

22. **Riding will be permitted only in the Arena and on**

assigned areas, not on the lawns.

23. Anyone cheating, showing bad manners, swearing, showing unsportsmanlike behavior, or having adults doing the work, shall be dismissed from the show. Parents will not be allowed in the "show ring" and can be dismissed from the show if they interfere with the judges or show officials.
24. No substitution of horses will be allowed after entries are made. In an extreme event of illness or death of a horse, another ID'd horse can be used with written approval from the Horse Committee and a statement from a veterinarian.
25. **There will be a final five-minute call before each class, members will be denied entry into the class if not present for the last call into the ring.**
