Neither Eastern States Exposition, its management, employees or independent contractors will be responsible for any article of any kind or nature that is lost, destroyed or stolen, nor liable for any injury sustained to horses, exhibitors, spectators or employees. Under Massachusetts law, an equine professional is not liable for an injury to, or death of, a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Chapter 128, Section 2D of the General Laws.

MEDICAL WASTE:

Sharps must be placed in the proper receptacles. Anyone found in violation shall be subject to fine or other penalties deemed necessary by show management.

FIRE & SAFETY REGULATIONS:

The following regulations must be adhered to in accordance with the Town of West Springfield Fire Regulations and Public Safety Code:

- c. Fireproof material must be used for all stall decorations. Exhibitors must have an affidavit stating that tack and stall curtains have been flameproofed with DuPont MX12 or its equivalent during the past year. If tack and stall curtains are permanently flameproofed, bring affidavit stating so.
- d. The center aisle of C and E Barns must remain clear. Tack stall decorations must not extend more than 18" into the aisle. All aisles must have a walkway free of floor obstructions.
- e. Bedding material may not be allowed on the floor of any aisle for display purposes. This includes wood shavings, wood sawdust and peat moss. Large wood chips or coarse bark mulch may be used and must be kept damp at all times. The use of burlap for display purposes is strictly prohibited.
- f. Coverings over the aisles which would in any way limit the effectiveness of the sprinkler system will not be allowed.

MOTORIZED VEHICLES:

Scooters, golf carts or other motorized vehicles will not be allowed to operate on the fairgrounds from 8:00 a.m. through closing of the Fair at 10:00 p.m. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters or farm utility vehicles on the competition grounds. Violations of this rule will be cause for sanctions against the parent(s), guardian(s), and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

JUNIOR EXHIBITORS:

Drivers under 18 years of age must be accompanied by an adult capable of driving.

Exhibitors will be expected to clean up after their dogs, especially in the areas adjacent to campers and food service facilities. This rule will be strictly enforced with a fine of \$200 imposed to anyone in violation. Dogs are subject to Massachusetts Animal Health Regulations.

Upon signing of entry the exhibitor grants permission to be photographed/interviewed by the Exposition in connection with the activity. All photographs/video are the property of the Exposition and may be used for their purposes.

ANIMAL HEALTH REGULATIONS:

- b. All equines originating from within and outside of the Commonwealth must have a negative USDA approved EIA test (i.e., Coggins test or ELISA test) dated within twelve months of entry.
- c. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. **THE INSPECTOR'S DECISION IS FINAL.**
- d. All equines must be free of visual evidence of the following diseases and conditions: mange, ringworm, soring, strangles, and open or draining wounds.
- e. While not required, it is strongly recommended that all equines be vaccinated for rabies, tetanus, EEE and WNV within one year of the fair.
- f. All health papers will be examined and must be in order.
- g. All horses with a cough or diarrhea will be examined by a show veterinarian in order to remain on the show grounds.
- h. A quarantine area will be set up for all horses that should be in it.
- i. The show veterinarian will document all horses examined and the reason that they were examined and without specific names publish it on an ESE website.
- j. The show veterinarian will document all potentially sick horses and provide that information to Massachusetts Department of Animal Health.
- k. It is recommended that all horses exhibited at ESE should be vaccinated within the past six months for respiratory infection.

Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
