TENNESSEE VALLEY FAIR HISTORY

The Tennessee Valley Fair has been a vital part of life in our region since 1916; however we can trace its origins back to the 1890s. It began as an idea in the minds of a group of progressive and in some ways, idealistic Knoxvilleians. These men dreamed of making their city the shining centerpiece of a prosperous and modernized Appalachia by hosting a great exposition.

The Exposition was so successful in 1910, it continued in 1911 and 1913. After much negotiation and persuasion, organizers promoted an annual fair. It was first held in 1916 and promoted not only improved methods of agriculture and raising livestock, but also displays of improvement for industry, arts, and sciences.

The first Fair set the pattern for all those which followed over the next ten decades. It struck a healthy balance between entertainment and education, and between lighthearted fun and serious business. A great deal remains unchanged, however, the Fair today offers much of the same thrills and oddities as it did a hundred years ago, and the Fair's nightly fireworks seem to never lose their appeal to fairgoers of all ages.

TENNESSEE VALLEY FAIR CODE OF CONDUCT

1. Exhibitors at the Tennessee Valley Fair shall at all times conduct themselves with honesty and good sportsmanship.
2. In their official duty, all judges, Fair and show management shall be treated with courtesy, cooperation and respect. No person shall direct abusive or threatening conduct toward them.
3. Rules for each respective show shall be adhered to and if a rule is no longer applicable, it shall be brought to the attention of Fair management for review and possible change before the next Fair.
4. Removal times of exhibits from fair property are shown in the respective rules for each exhibit area. Removal times of exhibits will be followed, but vary between departments due to operational and logistical situations.
5. Entries into any exhibit area of the Fair shall not be misrepresented. Misrepresentations could cause an exhibit to be removed from the Fair and any premium awards to be forfeited.
6. Non-compliance with these guides and applicable rules of each respective exhibit area can result in an exhibitor not being allowed to show their entries at the Tennessee Valley Fair in the future.

I want to thank each of you for participating in the Tennessee Valley Fair as exhibitors and fairgoers. Remember, let's make it an enjoyable experience for everyone.

Sincerely,
Scott Suchomski

GENERAL RULES AND REGULATIONS

INTERPRETATION OF RULES

1. The Tennessee Valley Fair management reserves to its Executive Committee the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, connected with or incidental to the Fair.

DELIVERY OF EXHIBITS

2. The Fairgrounds will be open for the reception of exhibits beginning Thursday prior to opening day of the Fair. **Check individual departments for dates and times exhibits will be received.**

CARE OF EXHIBITS

3. The Executive Director of the Fair shall have supervision and control of all exhibits and exhibitions during the Fair, whether in the buildings, arena or grounds, and reserves the right to prescribe the dimensions and regulate the position of all signs, to control the distribution of advertising matter and generally to direct the arrangement of articles on exhibition so far as same may be necessary to secure a harmony and attractive appearance. All instructions shall come from him or through authorized officials.

REMOVAL OF EXHIBITS

4. At the conclusion of the Show, the exhibitor must claim and take charge of their animal and supervise its removal. Exhibitors need to check individual department/classes for dates and times of removal. Early removal must be approved by the superintendent of the department.

PEDIGREES AND HEALTH REQUIREMENTS

5. No animal can be entered or exhibited as purebred unless the same has been recorded in the recognized books or record by their respective breeds, and exhibitors must produce certificates of registry at the request of the superintendent in charge any time during the Fair. See following pages for regulatory requirements.
6. TN Department of Agriculture Regulatory Services-Animal Health guidelines will be enforced. Any animal not meeting these regulations will be refused entrance or will be asked to leave. Entry fees will not be refunded. An accredited veterinarian will be available during check in.

STALLS AND PENS

7. Stalls and pens will not be reserved unless application is accompanied by the required fee. All applications for stalls or pens should be pre-reserved, and sent directly to Tennessee Valley Fair. Stall and pen assignments will be made by the Department Superintendents. Exhibitors will purchase the number of stalls or pens to fill their needs. No extra stalls or pens will be free. Due to limited stall and pen space, early entries are highly encouraged. Please see Open Sheep Show Rules and Regulations regarding acceptance of entries. Stalls will be assigned to bona fide exhibitors on a first come first serve basis. Parties subletting stalls without permission of the Livestock Show Superintendent will thereby forfeit the stalls, and will be subject to reassignment.

SHOW RING

8. The Superintendents of the Livestock Departments will exclude entries from all competition should there be an embarrassing or unnecessary delay on the part of the exhibitors bringing the animals into the show ring.

9. Any person who shall enter stock or occupy a stall or pen therewith, and shall fail to show the same in the lot entered except on special permission of the Departmental Superintendent, shall be required to pay a penalty of not less than \$15 for each offense, and the stock so entered shall not be removed from the grounds until the fine is paid.

JUDGES AND AWARDS

10. Exhibitors may not show more than two entries in any one lot of cattle or sheep unless otherwise noted.
11. The right is reserved to withhold the prizes awarded in every case in which it shall appear to the Fair that the regulations have not been complied with, or that fraud or deception has been attempted or when the article or animal is not worthy, and its decision shall be final and binding on all parties.
12. Judges are specifically instructed not to award premiums to any animal or article because of its presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors, and no premium shall be awarded to any animal or article that does not possess high intrinsic merit.
13. When animals or articles are not deemed worthy, judges will refuse to award premiums, whether or not there is competition in the classes.
14. The single judge will be selected with the utmost care and, as far as possible, will be of national repute. The Fair, however, reserves the right to substitute the three-judge system should circumstances arise where it would prove of mutual benefit to the exhibitors and the Fair, and also to substitute other judges in the place of judges named.
15. Judges will apply to the Superintendent in charge of the department in which they are to act in all cases of doubt or difficulty.
16. Regard will be had to symmetry, size, form, action, constitution, vigor and general characteristics of the various breeds with reasonable allowance for age; due regard will also be paid to carriage, style and general refinement that denotes high breeding, points which while not weighing in the scale of points, add value to animals when being sold for breeding purposes. In groups encouragement will be given to uniformity of breed types.
17. The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.
18. All animals must be shown and paraded as directed by the Superintendent or Judge, and any exhibitor refusing to comply with instructions of Superintendent or Judge or refusing to give any information required may be dismissed from the ring, and disqualified from the competition.
19. The ages of all animals must be given and satisfactorily verified, if required.
20. Evidence satisfactory to the superintendent of livestock, or the awarding judge, will be required that animals of breeding age shall show evidence of being with, or having dropped young within eighteen months prior to the Fair, and that males are not barren, and no award of premiums shall be made where there is unsoundness in breeding animals, and which is transmittable. The decision of the official veterinarian and judge as to soundness shall be final.

21. Any exhibitor attempting or in any way interfering with the judges during their adjudications will be promptly disqualified from competition, and any premiums awarded will be withheld.
22. If any disrespect is shown to an award, or the awarding judges, by the exhibitor or his agent, he shall forfeit all awards made to him, and the superintendent or the official in charge shall report the same to the Executive Director.
23. The decision of awarding judges shall be final, and no appeal will be considered except in case of protest.
24. Judges in the several departments shall give the reasons, if desired, for their decisions, embracing the value and desirable qualities of the animals or articles to which the premiums are awarded. As the one great object of the Fair is to collect valuable information, upon subjects connected with livestock, agriculture and the industrial arts, the judges and superintendents are requested to gather all information possible from exhibitors in their respective departments, and make reports as complete as circumstances will permit. Reports of awards are to be made as early as possible after adjudications.
25. Judges will hand in their list of awards to the Superintendent or their representative as soon as possible and make their extended reports afterwards. Superintendents/Department Heads will hand in the list of awards to the Premium Department as soon as possible. Judges are requested to report fully upon all objects of merit or to make such recommendations as circumstances may suggest, but must not award extra prizes. Judges are requested to note in the judges' book all animals and articles examined by them, whether awarded premiums or not, and sign name.

PROTESTS

26. All protests must be submitted to the Executive Director, accompanied by an affidavit setting forth the grounds for of the protest. All protests must be submitted within 30 days.
27. Protest will not be considered unless it is accompanied by a deposit of \$100.00, will be forfeited to the Fair in the event the party fails to sustain its protest.
28. Protests against the exhibition of an entry must be filed at least two hours before the lot is judged and will be considered and determined before the judging of said lot.
29. Protests against an award must be filed within 24 hours after show on the day after the award is made, and should be made to the Department Superintendent or Executive Director.
30. Parties interested will be duly notified of the time and place for considering protests and given the opportunity to submit evidence.
31. In addition to the right of protest guaranteed above to interested parties, the Fair reserves the right to take cognizance of any fraud, consummated or attempted, and to deal with all reasons implicated therein in such manner within the limits of the Fair as may, from the evidence relating thereto, be deemed just and proper.

PAYMENT OF PREMIUMS

32. Premiums in departments will be paid by check and will be mailed within **two weeks** of the conclusion of the fair. Prize money will be mailed to address shown on the entry form. No claim that prize money has not been paid, or that there was a discrepancy in payment of money won, will be considered if made later than October 15. **Checks not cashed within 60 days become void, and will NOT be reissued.**

LIABILITY

33. The Tennessee Valley Fair expressly refuses to assume any liability for injuries to any person or damage to any property coming upon the grounds of the Tennessee Valley Fair, and no claims for injury to any person or damage to property shall be asserted or suit instituted or maintained against the said Tennessee Valley Fair, its officers, agents, or employees for said cause by any person having privilege to exhibit or license to operate on the fairgrounds or occupying any space thereon, and it is a part of the consideration for each license or privilege granted by the Tennessee Valley Fair that such claims for injury or damage are specifically waived.
34. If any damage or injury or loss to persons or property shall be caused by reason of neglect or willful act of any person, firm or corporation, or their agents, representatives or employees, having license or permit to exhibit or operate a business or occupy space on the Tennessee Valley Fairgrounds, the Tennessee Valley Fair shall in no manner be responsible therefore, and in no case will be subjected to any expenses or liability. All persons causing same or are liable and therefore shall indemnify the said Tennessee Valley Fair.

MISCELLANEOUS

35. These rules apply to all departments, except where noted and should be read by every exhibitor, who should govern himself accordingly. The Fair reserves to itself the sole and absolute right to construe its own rules and regulations and to determine arbitrarily all matters and differences in regard thereto, from which no appeal lies.
36. In the event of conflict of general and special rules, the latter will govern.
37. All property of every character, whether entered for exhibition, display or sale, or any other purpose, will be taken into the grounds and buildings, and kept entirely at risk of the owner, who assumes all responsibility for any loss, damage, theft, or accident that may occur. Neither the Fair, its officers or agents, will be responsible for any such loss, damage or theft, and it is distinctly understood that exhibitors, concessionaires and all other persons, firms or corporations having property on the grounds and desiring protection from such loss or damage must make their own arrangements therefore.

IAFE - International Association of Fairs & Expositions National Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residue. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, trainer and/or responsible persons for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. In the laboratory report on the analysis of saliva, urine, blood or other sample taken from livestock indicates the presence of forbidden drugs or medications, this shall be a prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animals shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of the rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of the code of ethics.
10. The act of entering an animal is giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of the Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Pullorum-Typhoid - In past years, the Department of Agriculture has either supplied departmental personnel or permitted licensed private testers to conduct on-site Pullorum-Typhoid testing at shows and exhibitions. Tennessee Department of Agriculture Rule 0080-2-3-.05 Poultry requires "All poultry assembled at shows or exhibitions shall be accompanied by evidence of a negative test within ninety (90) days for Pullorum-Typhoid, or be tested on-site for Pullorum-Typhoid prior to exhibition following strict biosecurity procedures, or shall originate directly from a flock which has been certified as Pullorum-Typhoid clean under the Tennessee Poultry Improvement Plan." Proof of testing will be kept at barn during the Poultry Show. For other questions, information or for assistance in locating testing personnel, please call the office of the State Veterinarian at (615) 837-5120 or call Eddie Dunlap, Tennessee Valley Fair's Show Superintendent Home: Cell: (865)742-5525.

The Tennessee Valley Fair has implemented a sales fee on any poultry show entry that is sold at the Fair. The proceeds of the sales fee will be used to finance youth agricultural activities like 4-H, FFA and others, plus establish a scholarship for Junior Poultry Show Exhibitors. The Fair wants the system to be easy for both the exhibitors and the Poultry Superintendent, who will be collecting the fees. Any exhibitor who wants to sell poultry at the Fair will be required to rent a cage from the Superintendent for \$10.00. This fee will entitle the seller to make up to 50 sales. Any sales over 50 will require the rental of another cage. The Fair asks for your cooperation to help finance these worthwhile youth activities. **Youth in Agriculture are our future. There will be a 10% charge for all poultry sales.**

The Tennessee Valley Fair or Poultry Department cannot be responsible for birds left after Noon on Monday after the closing of the Fair. Any exhibitor violating this rule will automatically forfeit all premiums and ribbons.

SPECIAL RULES

The Tennessee Valley Fair is a member of the American Poultry Association, and this show will be conducted under the A.P.A. rules (exception: judge's decision shall be final). Copies of the rules will be gladly furnished on application to the Superintendent.

1. The premiums of this Association are open to the competition of the world. Online entries will begin on August 1st, 2023 at www.tnvalleyfair.org. All entry fees must be paid in full at the time entry is made. No attention will be paid to entries unaccompanied by fees. Remittances to be made payable to: Tennessee Valley Fair. Any misrepresentations made by exhibitors in regard to their birds will forfeit their right and privilege. Be sure to put proper bands on birds according to entry blanks and keep a copy of entry blanks.
2. The Tennessee Valley Fair will use every precaution in the management of all departments, but will not be responsible for loss or accident. Competent assistants will have charge of all exhibits, whose duty it will be to attend personally to the cooping, feeding, and care of all stock entered for competition. No one will be allowed to handle stock, coop or pack, except by permission of the Superintendent.
3. All entries will be judged by comparison.
4. The Judges will be governed by the latest edition American Standard or Perfection, copyrighted by the American Poultry Association, Inc. in classes admitted to the Standard and will be instructed to disqualify any specimen or pen they may detect as having been tampered or improperly dealt with. The judge will be empowered to withhold a prize or prizes when, in his opinion, the specimen or specimens are not of sufficient merit. Where specimen is not worthy of first prize, judges may, at their discretion, award a prize of such grade as the specimen deserves.
5. The Superintendent shall have entire charge and the right to refuse entries from exhibitors whose conduct, in his opinion, makes it desirable for the welfare of the show, that their birds be debarred from competition.
6. Judges shall be required to sign the judge's book or card provided by the Show Association. An official record of these awards shall be preserved by the Secretary for one year for reference.
7. The Purebred Dairy Cattle Association SHOW RING CODE OF ETHICS

**History: Adopted by PDCA in March 1969;
Revised March 1971; February 1977, 1981, 1986, 1988, 1989, 1992, 1993;
November 1995; April 2003; April 2004; May 2015**

About PDCA

The Purebred Dairy Cattle Association, Inc. is a federation of the national dairy breed registry associations serving breeders and owners of Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn and Red and White dairy cattle. PDCA and its member organizations promote the added value and profitability registered dairy cattle offer all dairy business owners.

PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall at all times deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Grooming and Preparation

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (2009), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. Changing the natural color of the animal is prohibited (effective 6/1/2015). However, external applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally:
 - a. with an irritant or counterirritant,
 - b. using a device to artificially create or enhance the udder crease,
 - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation.
 - d. plugging of teat canal with foreign substances.
3. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
5. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person

(hereinafter referred to as "Exhibitor") for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods and by direct examination of animal.

The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the national dairy breed association without recourse.

Violations: Reporting and Investigation: Complaints of alleged violations can be reported to the Show Superintendent.

Before An Animal is Shown

If the Show Superintendent suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is

reasonably well established before the animal is shown, the Show Superintendent will submit a report to the Executive Director.

Show Superintendent will discuss the violation with the Exhibitor:

1. If, at the Exhibitor's discretion, the animal in question is not shown, no violation will have occurred.
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to an Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After An Animal is Shown

All animals are subject to examination during judging. The judge and Show Superintendent are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics. When a violation may have occurred, a milkout may be called for. This call may be by breed association rule, or by request of an authorized representative of the national breed association, the Judge, or Show Superintendent.

If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Show Superintendent for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations.

Violations are subject to the disciplinary provisions of Show Superintendent, Executive Director, state in which the show occurs, and the national dairy breed association. Sanctions may include any one, or combination of the following:

- forfeiture or return of awards, prizes, premiums or proceeds;
- written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor");
- disqualification of the exhibition livestock from an exhibition;
- disqualification of the Exhibitor from the show;
- publication of offense.

Disqualification may include any or all shows and classes and may be for any number of years.

Ben Powell Award

A lifelong farmer, Ben Powell has dedicated his life to agriculture with a special interest in sheep and 4-H. After graduating from the University of Tennessee, Mr. Powell worked as a 4-H agent and specialist for nearly 40 years – 30 of them being in Knoxville. Upon retirement, he returned to his family farm in middle Tennessee and now raises four breeds of sheep: Southdown, Hampshire, Dorset, and Cheviot. The Ben Powell Excellence Award is named after Mr. Powell in honor of the impact he has had on the Tennessee sheep industry and countless 4-Hers.

Thomas Montgomery Memorial Trophy

One of the first 20 breeders to receive a polled ram from North Carolina State University in the fifties, Mr. Montgomery was an active member in the sheep industry for more than 60 years. He was a great friend to 4-H and always willing to help youth. Many of the sheep shown at the Tennessee Valley Fair can be traced back to his "Sheepstreet" flock. This award for Polled Dorset Premier Exhibitor is in recognition of his contributions to the sheep industry.
