

# Welcome to the 40<sup>th</sup> Annual 4-H & FFA Livestock Auction

**Thursday, July 27, 2023**

# Ways to Support the 4-H and FFA Livestock Exhibitors

This year, you will again be able to support the exhibitors in two ways.

- 1) **Animal Sale Purchase** – You will be able to purchase an animal by yourself or with additional buyers splitting the cost evenly. We will be selling all animals by head and not as a price per pound. After purchasing a steer, heifer, hog, or lamb, you will be able to choose to send your animal to one of the meat processors or allow the exhibitor to take the animal home; both of these options require you to pay the full sale purchase price of the animal. You can also choose to “floor” these animals. When you choose the “floor” option, you will only be responsible for paying the price over market value of the animal. Market value of the animal will be determined on the day of the auction and will be listed in the sale bill.
- 2) **“Add-On” Contribution** - As an add-on contributor, you are not purchasing an animal or a portion of an animal. You are simply making a donation to a specific exhibitor to receive on top of the sale purchase price of their animal. You can make an add-on contribution at any time during the livestock auction by returning to the registration trailer with your bid number.

*Due to the success of the add-on program these past three years, we have decided to make a change to the Buyers' Appreciation Dinner held prior to the livestock auction beginning with the 2024 Livestock Auction. The Livestock Auction Committee and exhibitors appreciate all contributions that are made on the night of the auction whether that is through animal sale purchase or add-on contribution. While we want to include everyone in the appreciation dinner, we are limited in our space and resources. **Moving forward, buyers from only the past two years will receive an invitation to the Buyers' Appreciation Dinner with admission tickets, but this will now include both animal sale purchasers AND add-on contributors.** We appreciate each and every one of you and appreciate your understanding with this decision.*

## Payments

When you are finished with your purchases for the evening, please come to the registration trailer to pay your bill. Please make checks payable to ST. CHARLES COUNTY FAIR. You may use a credit card for your purchases, but a 3% service charge will be added to your total.

**Do NOT pay the exhibitor directly!**

# Meat Processors

After you have purchased your animal, please come to the back of the auction arena to get your picture taken with the exhibitor and animal. The processors are listed below. Please let us know where you want your animal to go. After you have purchased an animal, please say the number that goes with the processor.

# A True “Friend of the Fair” – Nick Allen of Allen Auction

For as long as many fair goers can remember, Nick Allen has been at the St. Charles County Fair year after year. In fact, Nick has not missed a St. Charles County Fair since he began announcing the tractor pull at the 1988 SCCF. The following year, in 1989, Nick began helping with the SCCF livestock auction. At the time, the St. Charles County Fair was held in St. Peters. The SCCF moved to its current location in 1991. A dinner auction was established during this time period to help with the costs of moving the fairgrounds to Wentzille. Once again, Nick was there to help! Not only did Nick help during the dinner auction; he was also a great resource for the SCCF in establishing the fairgrounds. If Nick didn't know the answer, he would find out and usually call back with a couple of hours!

Over the years, Nick and Allen Auction Services have continued to assist our fair during the dinner auction during March and the livestock auction during the fair each year. Nick was even able to help his son, Kyle, get started auctioneering at our fair. Nick offered Kyle's auctioneering services to sell the wood carvings made during the chainsaw competition at our fair years ago, allowing Kyle to have his first solo auction at the SCCF.

Nick has not only helped at our fair, but all the area fairs. He was on the Lincoln County Fairboard and was even serving as their Fairboard President when they moved to their current location. No matter the fair, no matter how busy he was, Nick always had time to visit with the kids and other fair goers. He was the true definition of a “Friend of the Fair”. And not only was Nick a friend of the fair, he was a friend to many of us here. Nick will not only be remembered as a great auctioneer, but as a friend to many generations of fair goers.

We are truly thankful for the service Nick Allen gave, the friend he was, and that we were able to experience the St. Charles County Fair with the one and only Nick Allen.
