Idaho Statute Title 49-302 (11)a

Any person under the age of sixteen (16) years when operating an ATV, UTV, specialty off-highway vehicle or motorbike on roads on federal or state land where the road is not part of the highway system of the state of Idaho or local road management authority and is supervised by a licensed adult operator eighteen (18) years of age or older, and the road is open for such use, subject to the following:

- (a) Any unlicensed operators under the age of sixteen (16) years, on national forest roads must have completed a motorbike or ATV safety course approved by the Idaho department of parks and recreation, and a certificate or other proof of completion of such safety course shall be in the possession of the unlicensed operator of any ATV, UTV, specialty off-highway vehicle or motorbike, or shall be present in the vehicle at all times when the vehicle is operated on national forest roads. The certificate or proof of completion shall be provided for inspection to any peace officer upon request. No person shall be convicted of violating the provisions of this subsection if that person produces, at any time prior to conviction, the certificate or proof of completion of the approved safety course where the certificate shows completion of the course prior to the violation. In the event of a violation of the provisions of this subsection, the supervising adult may be charged with an infraction.
- (b) For purposes of this subsection, "supervised" means that the supervising adult must be in a position, on another ATV, UTV, specialty off-highway vehicle or motorbike, or if on the ground, within three hundred (300) feet of the unlicensed operator, to provide close support, assistance or direction to the unlicensed operator.
