In Memory of Richard Caverly

A passionate cattleman, Richard Caverly was active in 4-H and credited his knowledge to his father and uncles. His dedication led to a successful career as a cattle fitter, working across three countries and earning recognition at major events, including the World Dairy Exposition. In 2010, Richard married Beverly Donovan, and together they expanded Bev's Deer Hill Ayrshire herd. They competed at prestigious shows, creating lasting memories and enjoying great success. Youth held a special place in Richard's heart as he shared his knowledge with many young showmen. The Eastern States Exposition misses him dearly. His legacy of expertise and passion for quality cattle lives on through those he inspired.

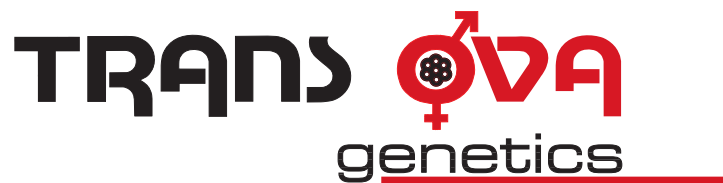

2024 People's Choice Dairy Female

New Award For All Dairy Breeds in 2024!

Trans Ova Genetics will sponsor a belt buckle and a \$500 Trans Ova Genetics gift certificate awarded to the owner of the animal that is selected as the 2024 People's Choice Dairy Female

Voting is to be held on social media after the conclusion of the fair. This replaces the competition previously known as the Virtual Supreme Dairy Champion. Grand Champion of each dairy breed will be automatically entered into the contest.

The winner will be announced through social media and awards will be distributed mid-November 2024.
