JUNIOR FAIR EXHIBITS

GENERAL RULES FOR 4-H & FFA YOUTH EXHIBITORS

- 1 Classes open to youth enrolled in Greene County 4-H programs and/or Greene County Agricultural Education programs who have not passed their calendar year of high school graduation.
- 2 Class divisions are determined by the school grade just completed of the current year:
Junior, grades 4 – 6; Intermediate, grades 7 & 8; Senior, grades 9 – 12.
- 3 All re-enrolling 4-H'ers must attend a minimum of FIVE club meetings to be eligible for the Greene County Fair. This rule is not meant to penalize new 4-H'ers that join throughout the year. If new members join after May 15th, prior approval from Extension Staff will be needed to determine meeting requirements to be eligible for the Greene County Fair.
- 4 All exhibits will be under the discretion of Department Superintendent(s). Fair management will use diligence to assure safety of all animals and/or articles entered for exhibition, after arrival and placement, but will under no circumstances be responsible for any loss, damage, or injury.
- 5 Overnight stays on the fairgrounds are limited to Fair Board approved facilities and under the direction of the Fair Board.
- 6 Judging – classes will be judged on a purple, blue, red, and white ribbon basis. If the judge is convinced that no entry in any certain class is worthy of a higher rating, any lower rating may be given without any higher placing in that class.
- 7 Premiums – will be distributed after division exhibits are judged. Premiums will be paid in cash at the fair from the Fair Board Administration office on the fairgrounds. All premiums must be collected before 12 noon on Monday, or they will be forfeited. Premium pick-up times will be posted during the fair in the Administration Offices.
- 8 Dress – only Greene County 4-H, standard FFA or white collared t-shirts may be worn by exhibitors while having his/her exhibit judged. No hats of any kind are allowed. (Exception: Horse department rules regarding dress).
- 9 Substitute Show Person – exhibiting static or livestock exhibits is an educational experience for the 4-H'ers. Excusing a member from personally exhibiting his/her exhibit defeats this objective. Therefore, the use of a substitute show person is discouraged. Exceptions may be allowed for situations out of the control of the show person. Exceptions must be approved in advance by the division superintendent(s). If approved, superintendent(s) should be informed of who the substitute show person will be and the youth for which he/she is exhibiting. An exhibitor who has more than one exhibit in a class does not need to secure approval for another eligible substitute show person. It is expected that such cases will be brought to the attention of the superintendent(s) prior to entering the show ring.
- 10 In any instance where the 4-H and FFA General Rules and Regulations and the club/chapter rules conflict, the General Rules will prevail.
- 11 Dogs are not allowed in barns. All dogs on the fairgrounds must be on a leash.
- 12 In keeping with the family values of this youth fair, exhibits should not contain the following: nudity, or the promotion of illegal drugs, alcohol or cigarettes. Also, noxious weeds, endangered or threatened wild-flowers, nests and small songbird feathers should NOT be used in any exhibit. Pheasant, duck, goose and quail feathers “legally taken” are acceptable. Any exhibits that contain the above will be disqualified by that Section Superintendent.
- 13 Superintendents - A superintendent is defined as a person who is responsible for a specific department, and who has the authority to make decisions for that department.
- 14 It shall be the duty of the superintendent to receive exhibits on their arrival and direct them to their proper place on the grounds and to report to the President any violation of the rules. Superintendents reserve the right to deny livestock entries due to the animal's health, the animal's unsafe behavior, or any violation of any rules herein.
- 15 It is the duty of the superintendents to be on the grounds early in the morning of each day of the fair and arrange systematically all exhibits entered for exhibition.
- 16 The superintendent will give all instructions to the judge before they enter upon the performance of their duties as well as enable them to answer all questions that might arise in connection with the rules and regulations as published.
- 17 The superintendent must keep a record of the judges and decisions in his department.
- 18 All superintendents shall have at least one junior superintendent. Junior superintendents are the only ones allowed to keep official records of the judge's decisions and provide those results in a timely manner to the Fair Board Secretary and/or Extension Staff.

JUNIOR FAIR LIVESTOCK SECTION

GENERAL LIVESTOCK RULES AND REGULATIONS

The following rules are to be followed by all livestock exhibitors. Failure of one person could result in a penalty to the entire club in that specie.

- 1 Exhibit Identification. All exhibitors (4-H and FFA) must have completed online 4H identification through www.4honline.com or submit FFA identification through their FFA advisor by May 15. If May 15 falls on the weekend, Livestock IDs are due by 4:30 p.m. the following Monday. All livestock must be properly identified.
- 2 Exhibitor Eligibility is subject to the rules and regulations of each department. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project. Youth may identify separate animals in the same division. For example, a youth may ID market lambs A, B, and C in 4-H and market lambs D, E, and F in FFA.
- 3 YQCA Training: All exhibitors wishing to exhibit beef, dairy cattle, bottle bucket, dairy or meat goats, rabbit, sheep, swine, or poultry at the county fair are required to be YQCA certified.
- 4 Ownership – All exhibits are to be owned and cared for during the project by the exhibitor as a part of the educational experience. All market animals must be in the possession of the 4-H'er at the time of county weigh in. All breeding, horse, and small animals must be in the possession of the 4-H'er by the 4-H May ID Form deadline.
- 5 Registration of Purebred animals may be recorded in any name as long as evidence can be shown that the exhibitor holds ownership or some degree of ownership of the animal and that the 4-H'ers has a logical relationship to the name on the registration papers.
- 6 Entries must be made on the official Greene County Fair Livestock entry and submitted with complete entry fee to the Greene County Extension office on or before 4:30 p.m. on June 15. This form hereafter will be noted as the June Entry Form. Late entries will be accepted until 4:30 p.m. on June 30, with a \$25 late fee per family. If either deadline falls on the weekend, entries are due by 4:30 p.m. the following Monday. Any youth who attempts to enter after June 30 will not be allowed to exhibit at the Greene County Fair.
- 7 Bedding is arranged by the Fair Board. No straw, shredded newspaper, etc. is allowed. Bedding will be paid (based on anticipated stalling needs) as a stall fee with Livestock entry form. There will be no free bedding. Bedding fees are non-refundable. Each exhibitor is required to remove all bedding and/or manure from respective stalls/pens every day as needed. All manure and bedding should be delivered to official manure piles, as designated by the Fair Board. Extra wood chips may be available during the fair for purchase from the Fair Board. All bedding should be removed on sale day except that the special wood chips and sand/gravel used for beef should be left in stalls for the duration and after the fair. Exhibitors should remove solid manure as often as possible, including after the Livestock Sale.
- 8 Stalling: Stalls, pens, and ties will be assigned by department superintendent(s). Animals will be stalled by club and specie. Clubs will be grouped according to number of animals entered. Grooming and tack stalls will be provided based on available space. Extra stalls cannot be purchased for tack and/or grooming. Grooming chutes are not to be assembled in the beef barn, or between barns, until Thursday afternoon, or at the superintendent(s) discretion. Grooming stalls will not be allowed in alleyways.
- 9 Caring and Grooming of animals should be done by the animal's owner. If assistance is needed, it should be aimed at helping the exhibitor learn new skills. Paid and/or professional grooming is NOT allowed at the Greene County Fair. Animals are to be groomed by the exhibitor, with assistance from immediate family members or other active 4-H or FFA Members only, such as parent, sibling, grandparent, aunt, uncle, or cousin. Any artificial means of removing or remedying defects of conformation in animals will be considered as fraud. Use of hemp hair or other hair-like materials added to the animal's body is not allowed. Any animal showing evidence of sharp practices, such as surgical removal of excess brisket or dewlap skin, filling with oil, unnatural means of providing feed or other fluids such as stomach pumps or IV bottles, powdering, painting, dying, or use of color agents, will be barred from the show. Superintendents have the right to wipe animals to check for paint. Exhibitors must follow all label instructions for all animal drugs, including those given to livestock brought to the fair. Exhibitors should be familiar with and abide by the Livestock Show Code of Ethics, available from the Greene County Extension office. Exhibitors that fail to comply with any of the rules will receive one verbal warning from the department superintendent. If the superintendent finds the exhibitor breaking the rules again, the exhibitor will be disqualified from the show.
- 10 Exhibitors must provide their own feed, feeder, and water pan, unless otherwise noted. All show and feeding equipment must be removed from barns prior to the start of the Premium Sale on Monday.
- 11 Livestock taken off the premises cannot be brought back for show or sale, unless otherwise approved by department superintendent(s) and fair board. This rule does not apply to dogs, cats, and/or pets. Livestock exhibits MUST remain on the grounds until the posted release time. No animal may leave the immediate barn area, between the hours of 10pm to 6am. Immediate barn area includes: cattle tie/out, walking green, barn showing, wash rack, arena for horses. If found leaving during the time period, the animal will be disqualified from the show unless permission was given by the superintendent and fairboard.

HERDSMANSHIP

Fair is an educational event for everyone. Therefore, it is necessary that barns and other exhibit areas be kept neat, clean, and well cared for. Herdsmanship duties are the responsibility of the exhibitor, not the parents, leaders, or other adults. Exhibits should look their best at all times for the public to view.

- 1 All 4-H clubs and FFA chapters will judge together by barn. (Rabbit/Poultry, Sheep/Goat, Swine, Horse, and Beef)
- 2 Barns will be judged randomly once in the morning and once in the afternoon or evening some time between 9am and 8pm, Thursday through Sunday. No judging will be done during barn showtime. Judging will only take place once during the day if there is a barn show that day.
- 3 The barn winner will receive a traveling banner to hang in their barn during the following fair year as well as a prize for all exhibitors. Winners will be announced following the Round Robin Contest on Sunday afternoon.
- 4 In the event of a tie a pre-determined tie breaker will take place.
- 5 Judges will be looking for evidence of: teamwork, education, interest, and creativity.

- 2 Entries in this department are open to purebred or mixed breed dogs which are owned by the exhibitor or are owned in partnership with a parent or guardian. An exhibitor may show a dog owned by someone else if they can demonstrate that they have an active role in the care and training of the dog.
- 3 Two exhibitors (but not more than 2) from the same household may show the same dog. The dog can be only entered in one obedience, one showmanship, one rally, and one agility class.
- 4 ALL DOGS MUST BE ON A LEASH. During the county fair, dog projects are only permitted on the grounds up to 2 hours before their show and are restricted to the Show Arena. This guideline is for the safety of all who attend the county fair. Dogs are not allowed in or around other livestock at any time.
- 5 Exhibitors must have a copy of their dogs' current rabies and distemper vaccination on file at the Extension Office before the start of dog project classes. Rabies certificates MUST have an actual veterinarian's signature to be valid. Office letterhead is not acceptable without an actual veterinarian's signature on it.

STATIC EXHIBIT BUILDING SECTION

Superintendents – Michelle Hardin, Shari Minnehan, Linda Hedges, & Stacy Hardaway

General Exhibit Building Guidelines

- 1 Exhibit classes are broad categories. To plan exhibits, exhibitors are encouraged to use project guides, manuals and program materials to determine goals and learning experiences. Some project manuals include specific exhibit suggestions and procedures. An exhibit can represent a part or all of learning involved in the respective project or program. The county Extension office has more information on exhibiting.
- 2 The exhibit is to be an outgrowth of work done to accomplish a goal(s) determined by the member or group during the current year.
- 3 The exhibitor's goal will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, quality of work and techniques and general appearance and design.
- 4 A preparation and help table will be available to aid 1st year members in preparing their entry tags.
- 5 Exhibitors will individually visit with a judge through conference judging about their goals and what they have learned. Each exhibitor is allowed to have 4 exhibits judged in one division at a time. They must then move to back of the judge's line before having more exhibits judged in the division.
- 6 Preparation for judging:
 - A Write your goal statement and what you learned and attach to the exhibit.
 - B Refer to sample entry tag and goal card for examples and information on elements and principles of design.
 - C If audio or videocassettes are prepared as part of the exhibit, the member must pre-arrange for equipment for playing them with Extension staff.
- 7 Exhibits: After being judged, exhibitors are responsible for delivering their perishable food exhibits to the kitchen. A small section will be packaged with tags and ribbon for display in your club booth. Youth are in charge of taking home the extra food.
- 8 If you want to use material belonging to someone else, ask for written permission. Otherwise, be creative and design original works of your own to use. For more information see Greene County Fair Publication on copyright or Iowa State Publication VI-980402-SAS, April 1998.

General Exhibit Building Rules Also see General Rules for all Youth Exhibitors, page 7

- 1 Exhibits that do not comply with the class description, size guidelines, copyright, safety and approved methods will be disqualified and not put on public display. The exhibitor will receive written evaluation comments and an explanation on why the exhibit was disqualified.
- 2 Exhibitors need to be currently enrolled in 4-H / FFA and attend the required number of meetings to be eligible to enter exhibits in this year's fair. Items prepared for school are eligible providing the exhibitor has set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a project goal. The evaluation criteria and exhibit guidelines for each opportunity will be different and exhibits should be prepared accordingly.
- 3 Exhibits can be done by an individual exhibitor, a team of exhibitors, or result from a group effort. All exhibitors, individual or group, must meet the age requirements to be eligible for State Fair exhibiting.
- 4 If an exhibitor is unable to present his/her exhibit to the judge, contact a Section Superintendent for alternative arrangements.
- 5 In keeping with the family values of this youth fair, exhibits should not contain the following: nudity, or the promotion of illegal drugs, alcohol or cigarettes. Also, noxious weeds, endangered or threatened wild flowers, nests and small songbird feathers should NOT be used in any exhibit. Pheasant, duck, goose and quail feathers "legally taken" are acceptable. Any exhibits that contain the above will be disqualified by that Section Superintendent.
- 6 All Special Interest and Family & Consumer Science exhibits to be judged at the Greene County Fair will be entered on Tuesday, judging day, at the fairgrounds Clover Hall (NOT at the Extension Office) according to the schedule of clubs prepared and mailed by the Extension Office. NO pre-entries are required. Exhibits will be entered in the appropriate area at entry tables in Clover Hall.
- 7 There is no limit to the number of entries per exhibitor in each class.
- 8 Exhibits will be rated as purple, blue, red or white quality with corresponding ribbons awarded. State Fair exhibits will be recognized with purple ribbons.
- 9 Club leaders and members are responsible for displaying and handling exhibits of their respective clubs in designated locations. Clubs are responsible for supplying their own materials and supplies.
- 10 Due to security, we discourage exhibitors from sending items that have special meaning and historical value.
- 11 Exhibits will be released at the scheduled time on Sunday and not before without approval of the Superintendent. Each exhibit must be checked out at the designated location.
- 12 Copyright Issues. It is the responsibility of individual exhibitors to be aware of copyright/trademark regulations when developing exhibits and communications activities for county and state fairs. Exhibitors are encouraged to create their own original work and illustrations so they can avoid using copyrighted and/or trademarked material. Be safe and not sorry.

State Fair Eligibility and Exhibiting

- 1 4-H'ers who have completed 5th grade through 12th grade (or that equivalent.) are eligible to exhibit at the Iowa State Fair. Exception: Group exhibits from an entire club may include 4th grade members.
 - 2 Eligible exhibits are an outgrowth of work done as a planned part of the 4-H'ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
 - 3 Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.
 - 4 If the exhibitor chooses a display to illustrate what was learned:
 - Posters may not exceed 24" x 36" in size. Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48" x 48" in size. Maximum size is determined by measuring the flat (unfolded) dimensions. Display boxes may not exceed 28" x 22" in height or width and 12" in depth.
 - 5 Endangered, threatened, and "special concern" plants and animals (including insects), or songbird feathers and nests may NOT be used in any exhibit. Game animals legally taken are acceptable, with the exception of any hogs (Sus species) - per State Law. Live specimens of noxious weeds or invasive species are NOT permitted in any exhibit. Dried specimens are acceptable to use in exhibits, however viable noxious/invasive plant seeds shall not be included. (Links to specific information below)
 - State-listed animals: <https://www.legis.iowa.gov/docs/ACO/rule/571.77.2.pdf>
 - State-listed plants: <https://www.legis.iowa.gov/docs/ACO/rule/571.77.3.pdf>
- Iowa Noxious weed list: [Iowa Code Section 317.1A \(2022\) - Noxious weeds. :: 2022 Iowa Code :: US Codes and Statutes :: US Law :: Justia.](#)
- 6 Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See special rules for Visual Arts and copyright information for 4-H'ers.)
 - 7 The 4-H'er's goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design. Exhibitors will receive written evaluation comments on the exhibits and a blue, red, or white Iowa State Fair exhibitor's ribbon. Refer to exhibit class evaluation rubrics for detailed evaluation criteria in each class. Rubrics are located on each 4-H project page at <http://www.extension.iastate.edu/4h/projects>
 - 8 A written explanation, audio recording, or video recording is to be included as part of each exhibit. Audio or video should not be longer than 10 minutes and must be uploaded to YouTube. The exhibitor should respond briefly to the following questions about the exhibit:
 - What did you plan to learn or do? (What was your exhibit goal(s)?)
 - What steps did you take to learn or do this?
 - What were the most important things you learned?

***Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.
 - 9 All judges' decisions are final.
 - 10 Each item in an exhibit must be securely labeled, including the name of the county, class number, and exhibitor's name.
 - 11 No entry fee is required. The exhibit should be selected at a county event. All entries must be made in the name of the county and certified by an Extension staff member.
 - 12 All exhibits must reach the 4-H Exhibits Building on entry day. Exceptions: Exhibitors participating in alternative evaluation/educational learning experiences will enter exhibits as determined for program participation.
 - 13 All exhibits must remain until the final day and checked out with the department superintendents before being removed from the 4-H Exhibits Building.
 - 14 FFA Static projects are not eligible for State Fair through judging in Clover Hall on judging day. Please see your FFA Advisor for more information

Other State Fair Exhibit Information

- 1 Due to security, exhibitors are discouraged from sending items that have special meaning and historical value as the exhibit or part of an exhibit. The Iowa State Fair and Iowa State University Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement. However, they will not be responsible for damage or loss by accident, fire, theft, etc.
- 2 The Iowa State Fair management will in no case assume or pay transportation or delivery charges on articles sent for exhibition.
- 3 Instead of premium money for exhibits counties will be awarded a pro-rata amount of travel money based on participation and distance from Des Moines. Distance determination will be based on the established zones as determined by the Iowa State Fair.
- 4 Exhibits that do not comply with size guidelines, copyright, and safety procedures will not be accepted for entry, evaluation or display at the Iowa State Fair.
- 5 Because the exhibitor is not present for judging at the Iowa State Fair, a written explanation, an audio cassette, or video tape needs to accompany the exhibit. The exhibitor should respond briefly to the following questions:
 - What was/were your goal(s)?
 - How did you go about working toward your goal (such as processes, steps, and plans)?
 - What were the most important things you learned as you worked toward your goal(s)?
 - What ideas or plans do you have for the future based on what you have learned or discovered?

State Fair judges have seven to ten minutes to evaluate the total exhibit. The information requested needs to be well organized and brief.

Noxious weeds, endangered or threatened wild-flowers, nests, and small songbird feathers should NOT be used in any exhibit. Pheasant, duck, goose, and quail feathers "legally taken" are acceptable.

Original use by an exhibitor of copyright materials should not be used in exhibits. A copyright design is not allowable because in the fair setting the exhibit is on public display and that infringes on copyright laws.

All exhibits, activities and programs must represent appropriate safety procedures in the development of the exhibit around the evaluation process.

Alternative evaluation opportunities will be in selected classes. Ag & Natural Resources, Food & Nutrition and Tractor.

- 6 State Fair exhibits will be selected Tuesday afternoon during the Greene County Fair. Exhibitors are responsible for checking these selections to know if they are a State Fair exhibitor. Watch for signs posted in the State Fair display area for the times of publicity pictures and interviews that will be done in Clover Hall.
- 7 All exhibitors are responsible to read and comply with the Iowa State Fair General Exhibit Rules for the exhibit to be eligible for Iowa State Fair participation.
- 8 State Fair exhibits are due in the Extension Office (date to be announced) to be prepared for transport to the State Fair. Exhibitors of very large exhibits may be asked to transport them to and from State Fair. Each item in an exhibit must be securely labeled, including the name of the county, class number, and exhibitor's name. Labels should be placed on the back of poster, notebooks, and/or cards, on the bottom of jars, and in an inconspicuous place on other items. A completed Iowa State Fair entry tag should be securely fastened to the main item in each exhibit on or near the upper right corner or in an easily seen location. Be sure to include the exhibitor's grade and years of participation in the project/program. Entry tags will be sent to each county office from the Iowa State Fair Office.
- 9 Following the State Fair, exhibits are to be picked up at the Extension Office after 1:00pm the Tuesday following the close of the State Fair.

You need this attached to every static exhibit you bring on Static Judging Day.
