

**FAMILY, CAREER AND COMMUNITY LEADERS OF AMERICA**  
*AT THE GEORGIA NATIONAL FAIR*

Family, Career and Community Leaders of America is a national student organization which functions as an integral part of the Family and Consumer Sciences curriculum in Georgia schools. FCCLA encourages personal growth, prepares for careers, fosters family and community involvement and helps students become leaders. Through programs such as Career Connection, students prepare for the world of work. Programs such as Families First and Families Acting for Community Traffic Safety reinforce the importance of a strong home life. The Community Service, Stand Up program and the Japanese Exchange Program provide incentives to developing local, national, even global, community ties. The Power Of One, Student Body and Financial Fitness program encourage members to make positive lifestyle choices and practice goal setting. Leadership skills are enhanced through opportunities to serve as local, state and national officers. Conferences such as state and national leadership meetings and regional cluster meetings provide intense leadership training and the chance to network with teens who have similar interests and concerns. Through the STAR Events program, members are recognized for proficiency and achievement in leadership and career skills. FCCLA is The Ultimate Leadership Experience!

The mission of FCCLA is to promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through character development, creative and critical thinking, interpersonal communication, practical knowledge and career preparation.

Open to all bona fide FCCLA members in the state of Georgia. Entries may be made as individuals or teams, as specified in the rules for each competition and must be submitted through the chapter advisor.

### Grand Champion Tiebreakers

If the total points for a championship award are tied, the winner will be determined based on the number of first places won. If the number of first places is tied, the count will go to second places, third places, etc., until the tie is broken. In the unlikely case that both teams have the same number of points and the same ribbon counts, the title will be determined by the highest scoring entries based on the competition scorecards/criteria. If there is still a tie after scores are considered, the title will be shared, and the prize money will be split. If the tie is for the Grand Champion, the prize money for Grand and Reserve, if any, will be split. If the tie is for Reserve Champion, the Reserve Champion money will be split. In either case, a second plaque will be ordered and shipped to the team.
