Ruzsa Quarter Horses // 605.848.0887

Disposition is in NO SHORT OF SUPPLY HERE! Ruzsa's have learned of some super talented Cold Sun offspring. The most recent is Kinley Case on her horse Sonny's Peptos Gal a consistent 1D Money Earning Futurity horse in 2024 and currently 5th in the IBRA standing heading into the finals! What adds to the fun of this colt is the dam Miss Sassie Pants is 3/4 sister to A Lil Bit Sassy aka "Val". Val is an incredibly naturally talented horse currently in training with Heidi Gunderson. The excitement Heidi has about Val and how she talks about her would get anyone excited to get their hands on this colt. This colt is one of our top picks for the futurities! Especially since being able to add him to the Royal Crown!

Ruzsa Quarter Horses // 605.848.0887

The perfect complement between Sire and Dam. AP Six Frosted Moons adds his conformation and good bone. Jetta In The Money adds her big motor and that extra added speed with her agility and quick feet. AP offspring have incredible trainability with their level-headed dispositions and I have always said I like seeing a mare with that added speed to help create that competitive edge and here it is. The top winning horses sired by AP Six Frosted Moons that are out there winning are out of mares just like this. There is also a talented heading horse out there sired by Sawyer Wood and out of a Jody O'Toole trained by Kaleb Drigger. Here is the perfect "Toole" to add to your toolbelt!

The opportunity for Ruzsa's to bring Sawyer Wood direct offspring and their winning ways to the industry continues! Ruzsa's have been extremely selective in the caliber of mares they are crossing with Sawyer Wood and Asporty Chic is one of the absolute very best in the Ruzsa Program. Asporty Chic si 107 is a proven producer of Multiple Race Winners and is from a Champion mare line; 2nd Dam Go Elegantly AAA Stakes Producer & All-Time Leading Race Producer, 3rd Dam Charger Bar 4-Time World Champion and Champion 3-Year-Old. Ruzsa Quarter Horses // 605.848.0887

Very smart colt and has been a breeze to halter train. The Sun Frost cross with Sawyer Wood has been tested repeatedly to be a proven cross in the barrel pen. With the feedback we hear of the talent Sawyer Wood offspring have from roping to barrels he will be an excellent one to showcase those talents. Then add to that the talent and durability we are hearing about the Cold Sun offspring just adds to the appeal of this prospect. He will definitely hold up to the rigors of competition and be that solid mount to also earn his keep back at the ranch. With the Royal Crown incentive, you could find yourself at the pay window in both the roping and the barrels.

Palomino Colt // 5.12.24

Emilee Pauley // 605.939.9714

"Conway" has been classy since day one. I am extremely proud of the balance, bone, and athleticism this colt shows. He catches your eye and stands out from the other colts in the pasture with a "spark" to his personality. He's easy to handle and willing to learn. His mother, SL Mystical Dot Com, came from the Sital Livestock program. She was showing great promise in the barrel pen, was being roped on and was the go to ranch horse before a career ending injury. I enjoyed training her for her level headed, down to business demeanor and quick speed. No matter what job you gave her, she gave it her all and confident she will pass that on. Frenchman's Guy, Okie Leo, Sixarun, Sawyer Wood, Dash Ta Fame all in his pedigree, he's an absolute all around performance horse prospect!

Every year this mare's foals are heavily sought after. Dam is by Eddie Stinson and out of a Sticks An Stones mare. VF Chickadee, ridden by Marne Loosenart, was sidelined by injury early on in her futurity career and has since made an undeniable impact on our program, producing rope and 1D barrel horses. She is also the dam of one of our favorites we have raised, Cuzin Eddie by High on Corona, who currently stands at stud in Texas. Exceptional prospect by Aint Seen Nothin Yet!. What sets this colt apart is his bottom side. On The Fast Stride "Ferrari" on the track run out over 30K. Next in the barrel pen was a Futurity, Maturity, Slot Race, and Rodeo money earner with an excess of 20K won. She was the recipient of the AQHA 2nd go award, rewarded to the horse that wins the most in two careers back to back. Kassidy was 12 when she took Ferrari to the barrel pen after her racing career. On The Fast Stride has also produced a multiple circuit finals qualifier, Futurity and Maturity money earners, her colts have also excelled in the roping pen. We usually keep all of "Ferraris" foals, and if this colt was a filly it would be different, but he has boy parts and Kassidy is newly married and wanting to get some money in savings. BB Firewater Moon

Sorrel Filly // 6.13.24

Brett & Paula Blasius // 605.390.6111

Classy filly that is bred to excel in the arena. She is sired by Blasius late stallion Firewater Jets and our kids have rodeoed on many of his offspring and they are fantastic! With Fire Water Flit, Martha Six Moons and Sun Frost this filly could go any direction that you would like to take her. In halter training this filly has a ton of feel and is super light and quick on her feet. She is young, but she will catch up and I promise that you will like her more every day that you own her!

TM King Charlie

Bay Roan Colt // 4.28.24

T3 Moody Ranch // 605.641.3518

Very nice, stout made colt! His dam TM Reves Blue Sak Em was an outstanding all around horse. She won in every event she entered and went to Tennessee with my nephew for the Jr High National Finals in the heeling. She is very solid built and he will be too. His sire Tres Kings needs no introduction as he has many nice offspring that are up and coming doing very well from barrels to roping. Tres Kings proven cross is out of cow bred proven mares just like this one. This colt is eligible for a lot of great incentives and can be viewed under Tres Kings on page 5.
