7. Judging & awards:
  - All entries will be judged by certified specialty judges using the Danish system.

### Types of judging:

- **Face-to-Face:** Used for two departments.
    - B10(A) small animals, a.k.a. pocket pets. These animals are at the fairgrounds only for their conference with the judge. Ribbons will be given at the time of conferencing. Exhibitors may choose to display a picture of the animal the ribbon in the Youth building.
    - B17 Younger Youth grade K-2. Exhibitors individually discuss their project with a judge, learning the strengths and weaknesses of their project. All exhibitors in this department earn a multi-colored ribbon when they meet with the judge.
  - **Conference:** Used for all other Junior non-animal departments. The exhibitors conference with a judge, who may ask youth questions about their project and use the knowledge as well as the quality of the exhibit to place the entries according to the Danish method.
    - **Danish Method:** The judge will award ribbons AFTER all items have reviewed. This process determines the quantity of each place ribbon that can be awarded in that class. For example: if there are 15 items in a class, then only 3 may receive a blue, up to 7 may receive a red, up to 11 may receive a white, and up to 15 may receive a pink.
  - Classes may be further divided at the discretion of the judge.
  - Additional ribbons MAY be given at the judge's discretion and may include either a Judge's Choice ribbon (following State Fair rules) OR a Best in Show ribbon.
8. The department supervisor has the privilege of removing deteriorating exhibits during the fair.
  9. **Premiums:** Each worthy exhibit will receive a uniform premium of \$1.50.
