LIVESTOCK

DEPARTMENT 500 -580

The Williamson County Fair Association, Inc. complies with the Regulatory Requirements for Livestock as set forth by the Tennessee Department of Agriculture. All Williamson County Fair participants must comply with the requirements. Please read carefully and adhere to the requirements that follow.

TN DEPARTMENT OF AGRICULTURE

DIVISION OF ANIMAL HEALTH

SUMMARY: LIVESTOCK HEALTH REQUIREMENTS FOR FAIRS AND EXHIBITIONS

I GENERAL:

A. All stalls, pens, chutes, etc. located on the grounds of fairs and exhibition shall be thoroughly cleaned and disinfected with a disinfectant approved by USDA, APHIS between each scheduled fair or exhibition.

B. All livestock (except poultry and equine) which enter fairs and exhibitions shall be accompanied by an official Certificate of Veterinary Inspection with individual permanent identification. Certificates for this purpose shall be valid for ninety (90) days from date of issue. (Tennessee livestock only – out-of-state certificates are valid for thirty (30) days from the date of issue)

C. No animal showing clinical signs of infectious or communicable disease shall be allowed to enter or remain on premises of fairs or exhibitions. It shall be the responsibility of the manager of each event to assure prompt removal of such animals.

II LIVESTOCK AND POULTRY ORIGINATING WITHIN THE STATE OF TENNESSEE

[Certificates of Veterinary Inspection Valid for a Period of Ninety (90) Days]

A. SWINE:

All swine which enter fairs and exhibitions shall be accompanied by an official Certificate of Veterinary Inspection with individual permanent identification or sufficient description to identify each animal.

B. CATTLE:

All cattle which enter fairs and exhibitions shall be accompanied by an official Certificate of Veterinary Inspection with individual permanent, official identification.

C. POULTRY:

(1) Sponsors of poultry shows or exhibitions shall notify the Tennessee Department of Agriculture at least thirty (30) days prior to show or exhibition.

(2) Poultry found not to be in apparent good health shall be removed immediately from any show or exhibition.

D. HORSES & OTHER EQUIDAE:

Horses and other Equidae six (6) months of age and older must have a negative Equine Infectious Anemia test within the preceding twelve (12) months.

E. SHEEP

(1) All sheep imported into or through Tennessee shall be accompanied by an official Certificate of Veterinary Inspection and be in compliance with 0080-2-1-.02, and Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

(2) All sheep that move within the state, with the exception of wethers under the age of 18 months that are produced for slaughter only, including for change of ownership, shows, fairs, expositions or slaughter shall be permanently, individually identified by a method approved in Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

F. GOATS

(1) Goats imported into or through Tennessee shall be accompanied by an official Certificate of Veterinary Inspection and be in compliance with 0080-2-1-.02, and Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

(2) Goats imported into Tennessee for immediate slaughter to an approved slaughter establishment or to an approved livestock market for sale to a slaughter establishment shall only be required to have a transportation document and be in compliance with Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

(3) All registered breeding goats, goats that have been commingled with sheep, goats for exhibition and dairy goats that move within the state, including for change of ownership, shows, fairs, expositions or slaughter shall be permanently, individually identified by a method approved in Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

G. CAMELIDS: Camelids must have an official Certificate of Veterinary Inspection as provided in Rule 0080-2-3-.01 (1).

H. CAPTIVE CERVIDAE: Captive Cervidae must have an official Certificate of Veterinary Inspection as provided in Rule 0080-2-3-.01 (1).

III LIVESTOCK AND POULTRY ORIGINATING OUTSIDE THE STATE OF TENNESSEE

Livestock and Poultry entering fairs and exhibitions from areas outside the State of Tennessee shall be subject to current Tennessee import requirements. Please contact the state veterinarian's office regarding questions or recent changes to these rules. These interstate requirements are summarized as follows:

A. ALL SPECIES (except poultry):

Official Certificate of Veterinary Inspection valid for thirty (30) days and individual permanent official identification, except for equine. Equine must have sufficient description to identify the animal.

B. CATTLE:

Certificate of Veterinary Inspection and additional requirements as follows:

(1) Tuberculosis: No requirements except for cattle originating from regions not considered free of tuberculosis.

(2) Brucellosis: No requirements except for cattle originating from regions not considered free of brucellosis. Test eligible cattle – Intact male or female cattle eighteen (18) months or older. (Vaccinates and non-vaccinates)

C. SWINE:

No testing requirements for swine unless originating from a region not considered free of Brucellosis and Pseudorabies.

D. HORSES AND OTHER EQUINES:

Animals six (6) months of age or older - negative equine infectious anemia (Swamp Fever) test within twelve (12) months.

E. POULTRY:

Originate directly from a Pullorum-Typhoid Clean Flock and an H5/H7 Avian Influenza Clean Flock or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative Avian Influenza test within twenty-one (21) days.

F. SHEEP

(1) All sheep imported into or through Tennessee shall be accompanied by an official Certificate of Veterinary Inspection and be in compliance with 0080-2-1-.02, and Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

(2) All sheep that move within the state, including for change of ownership, shows, fairs, expositions or slaughter shall be permanently, individually identified by a method approved in Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

G. GOATS

(1) Goats imported into or through Tennessee shall be accompanied by an official Certificate of Veterinary Inspection and be in compliance with 0080-2-1-.02, and Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

(2) Goats imported into Tennessee for immediate slaughter to an approved slaughter establishment or to an approved livestock market for sale to a slaughter establishment shall only be required to have a transportation document and be in compliance with Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

(3) All registered breeding goats, goats that have been commingled with sheep, goats for exhibition and dairy goats that move within the state, including for change of ownership, shows, fairs, expositions or slaughter shall be permanently, individually identified by a method approved in Title 9, Code of Federal Regulations, Part 79.1 through 79.4.

H. CAMELIDAE: Same requirements as for cattle.

I. CERVIDAE:

Certificate of Veterinary Inspection and additional requirements as follows:

(1) Brucellosis: Same requirements as for cattle.

(2) Tuberculosis:

(a) All cervidae shall originate in herds which have had negative herd test for tuberculosis within twelve (12) months with a USDA approved single cervical test and individual imported animals shall be negative to the single cervical test within thirty (30) days of entry; or

(b) Animals not originating in tested herds as described above must test negative to two (2) single cervical tests at least ninety (90) days apart, the second test conducted not more than thirty (30) days prior to entry.

NOTE: (Contact an accredited veterinarian for further details of import rules).

IV Fair association or exhibition or management shall inform exhibitors of the rules of this chapter and shall notify the State Veterinarian or her agent of any violations. Exhibitors shall present evidence of compliance with this chapter to the State Veterinarian or his agent upon request.

These rules constitute a minimum legal standard and in no way restrict the right of fair and exhibition managers to establish additional or more stringent requirements.

Friday, July 12: 10:00 am – 4:00 pm

The following rules MUST be strictly enforced. The Williamson County Fair Poultry Division will enforce high health standards. Please contact the State Veterinary Clinic at Ellington Agriculture Center in Nashville to have your birds scheduled for testing at least 3 weeks prior to the check-in date. THIS IS THE BEST WAY TO KEEP YOUR BIRDS FROM BEING EXPOSED TO OTHER POULTRY PRIOR TO TESTING. ON-SITE TESTING will be available but will need to be scheduled and conducted before check-in will be permitted. It is better for you and your birds to have them tested in advance if at all possible. All poultry must be in good physical condition and clean show-worthy appearance. Do not bring birds to check-in that are wet.

SPECIAL NOTE: All birds must originate from pullorum-typhoid clean flocks or hatcheries and have negative pullorum-typhoid test within 90 days prior to exhibition. ON SITE TESTING will be available but your healthiest and most bio-secure option is to test BEFORE YOU COME TO THE FAIR. All testing must be done and proper documentation must be presented to the Show Superintendent BEFORE bringing cages into the show area. Documentation must be filed with show chair for duration of exhibition. The Show Superintendent must visually inspect birds to meet criteria before they are placed in pens. Enter Gate 3, park in designated area for testing and leave your birds in your vehicle until you have checked in at the registration table.

RULES & REGULATIONS:

- The Open Show is open to Tennessee residents 16 years and over, and all enrolled Williamson County 4-H participants. Junior Poultry is open to youth ages 6-18 from any county in Tennessee.
- All entries must be pre-entered online by July 28.
- Open and Junior Poultry SHOW SPACE IS LIMITED. Coops will be assigned in order as entries are received in office.
- No phone entries.
- **Positively NO late entries will be accepted.**
- Each bird must be listed individually.
- All birds will be entered in Classes stated below.
- All birds must be owned by the exhibitor for at least 90 days prior to the Fair.
- EXHIBITORS WILL BE LIMITED TO NO MORE THAN 20 BIRDS per show.
- Should birds be entered and not shown or not in appropriate condition for showing, the entry fee is not refundable.
- All exhibitors, including youth exhibitors, are expected to present and coop their own birds once their health papers have been filed and they have checked in with the coordinator. NO DROP OFFS WILL BE ALLOWED.
- **Exhibitors are also expected to volunteer for a shift to help feed and water and/or break down cages at the end of the show. Exhibitors can sign up for volunteer shift during check in.**
- The show superintendent may decline any entries determined not fit to be shown. BIRDS MUST BE IN GOOD HEALTH AND PRESENTABLE FOR SHOW.
- There will be NO medicating of birds. Any bird showing symptoms of disease or sickness shall be removed from the show.
- All exhibits are entered at owner's risk. An attendant will be on duty all day and a guard on grounds at night.
- The Fair will not be responsible for any loss but will give every exhibit careful attention.
- The association will assure every precaution and care for the welfare of all birds, but will not be responsible for any accident, fire, disease, theft or other cause under any circumstances.
- Fresh food, water and shavings will be provided.
- Exhibitors are prohibited from handling each other's birds without permission of the owner or the superintendent. Birds may only be removed from cages with permission of Show Superintendent.
- A minimum of three birds will be required to compose a Class. Classes smaller than three will be combined with similar Classes or All Other Breeds.
