- d. Approved Drug Use:** If an animal has been administered a drug that is FDA approved for its species, sufficient time must have passed so that the animal does not test positive for that drug upon arrival at the Fairgrounds. Animals must remain free and clear of all drug and chemical residues while on the Fairgrounds and/or participating in the Brazos Valley Fair & Rodeo shows. Please note that elimination time (the time it takes for no drug residue to be found in the system) is generally longer than the labeled withdrawal time for most approved drugs.
- e. Animal Inspection:** As a condition for participation in the Brazos Valley Fair & Rodeo, an exhibitor agrees to submit any animal entered by the exhibitor for inspection by any veterinarian appointed by the Brazos Valley Fair & Rodeo Management. Exhibitors also agree to have such animals submitted to any tests requested by the Brazos Valley Fair & Rodeo. Exhibitors also agree that the opinion reached by the Brazos Valley Fair & Rodeo or its officials as to whether such animal is unethically fitted or over age shall be final and binding without recourse against the Brazos Valley Fair & Rodeo, its officials or any of its

appointed veterinarians. Further, the Brazos Valley Fair & Rodeo specifically reserves the right to have an ultrasound, D.N.A., tissue, blood or urine laboratory analysis made on any animal entered for the Brazos Valley Fair & Rodeo competition. The conclusions reached by the veterinarian or laboratory shall be final and binding without recourse against the Brazos Valley Fair & Rodeo, its officials or any of its appointed veterinarians. An exhibitor of an animal that is found to be unethically fitted, over age, and/or testing positive for any drug or medication or unapproved chemical may forfeit all titles, awards, auction proceeds (if any), premiums, as well as rights and privileges to exhibit livestock in the future at the Fair. Exhibitors waive any cause of action which he/she might have for any action taken under these Livestock Exhibitor Rules and releases the Brazos Valley Fair & Rodeo and any appointed veterinarian from all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusion of such veterinarian.

Animals which are administered treatments with a withdrawal or extended elimination time will be disqualified from competition. Furthermore, the Official Brazos Valley Fair & Rodeo Veterinarian, in agreement with the Brazos Valley Fair & Rodeo Management, reserves the right to treat any animal if, in the opinion of the Official Brazos Valley Fair & Rodeo Veterinarian; it is in the best interest of the animal's health and well-being to be treated. If the Official Brazos Valley Fair & Rodeo Veterinarian administers treatment to an animal and therefore uses any medication that does not meet the appropriate withdrawal and/or elimination time, such animal will be determined ineligible for competition.
- i. **Treatment Costs:** All treatment costs are the responsibility of the exhibitor.

If an animal(s) is disqualified, the class placing will not change. A disqualified exhibitor may forfeit all rights and privileges to exhibit livestock in the future at the Fair, as well as any Brazos Valley Fair & Rodeo scholarship opportunities. Disqualifications due to violations of the Brazos Valley Fair & Rodeo Rules as stated in this Livestock Exhibitor Book or the Entry Certification, Release and Indemnity agreement and any consequences will be decided by the Brazos Valley Fair & Rodeo Management. These decisions may be appealed to the Brazos Valley Fair & Rodeo's Executive Committee from whose decision there can be no further appeal.
