The DOUGLAS COUNTY COMMISSIONERS

For over 100 years, the North Central Washington Fair has been supported through the hard work and enthusiastic cooperation of countless volunteers and organizations. The efforts of our community, volunteers and organizations have earned a well-deserved legacy for the NCW Fair as THE AGRICULTURAL SHOWPLACE OF NORTH CENTRAL WASHINGTON.

It is our honor as Douglas County Commissioners to govern the NCW Fair, one of Douglas County's tremendous assets, and to welcome each successive generation of fairgoers. We are very proud to recognize outstanding leadership and contributions to the success of the NCW Fair through the annual Commissioners' Award.

We offer our sincerest appreciation to the Fair Board Members who donate their time and skills throughout the year to make the NCW Fair THE ONE THAT'S REALLY WORTH WAITING FOR!

A special thanks to everyone who supported the 4-H, FFA, and Grange Youth livestock sale in 2023. Over \$409,428 went back to the kids to help pay for animal expenses, FFA trips, college funds, etc. Revenues generated by the Fair are put back into operating expenses, payments to exhibitors, race and rodeo purses and improvements to programs, grounds, and buildings. Generous support is received from Douglas County, the Washington State Department of Agriculture, individuals, and businesses. As a member of the Washington Fairs Association, the NCW Fair will again be receiving funds from the Department of Agriculture in the amount of \$50,260. The tremendous scope of volunteers, 4-H, FFA, Grange Youth and other youth organizations are combined in a four-day program that promotes EDUCATION AND FUN to create the very best in entertainment.

NCW Fair Mission Statement

NCW Fair is a historical event committed to the future of our youth, families, and communities through education and promotion of agriculture, industry, and the resources of our region.

Message from Adam Foged, NCW Fair Board President

Welcome to the NCW Fair! As Fair Board President it is truly gratifying to acknowledge the dedicated volunteers who have made the 2024 fair successful! It is important to reflect on the essence of what brings us here: our roots with agriculture, livestock and showcasing food preservation, baking, photography, arts and crafts, gardening and a variety of fiber and fabric arts, and the profound impact they have on today's youth. In an age where technology often dominates the landscape, it's crucial that we continue to instill in our youth an appreciation for the roots from which we have come – the land and the animals that sustain us. Agriculture and livestock are not just industries; they're living, breathing embodiments of hard work, dedication, and the timeless bond between humanity and earth. Our Fair serves as a vital platform to celebrate and showcase the rich tapestry of agricultural traditions that form the backbone of our communities. None of this would be possible without the unwavering commitment of every exhibitor and volunteer. Your hard work, whether it's tending to livestock, creating exhibits, or coordinating events, is what breathes life into our Fair and ensures its success year after year. Your dedication provides a gateway for today's youth to connect with agriculture and livestock in meaningful ways. You provide the opportunity to learn, to grow, and to cultivate a deep-seated respect for the land and its inhabitants. In doing so, you are not just shaping the future of our fair; you are nurturing the stewards of tomorrow – individuals who will carry forward the values and traditions of hard work, integrity, and passion for agriculture. As we look forward to the excitement of the North Central Washington Fair, never underestimate the invaluable role you play in keeping our Fair not just alive, but expanding and successful. Your dedication is the bedrock for this success. The North Central Washington Fair Board of Directors extends our heartfelt gratitude. We could not do it without you! I look forward to working with you as we prepare for the 2024 NCW Fair.

12. Each entry must have the correct variety and proper quantity listed on the exhibit tag to qualify.

C. Livestock Exhibits

Rules found in this section are general and not intended to be complete or relieve the responsibility of the rules under individual departments or alter the fact that rules governing livestock are to be enforced by the respective Superintendent.

Due to space limitations in the beef barn, if you are registering multiple exhibits of beef, you must contact the barn Superintendent. If there is inadequate space in the barn to accommodate all registrations, multiple animals may be denied depending upon the capacity of the barn. Further, if exhibit registrations exceed the capacity of the barn, exhibitors from Douglas and Chelan Counties will be given preference. Owners of disallowed animal exhibits will be notified as soon as possible after the deadline for livestock registrations. Decisions made by the barn Superintendent are final.

Due to space limitations in the swine barn, each exhibitor may only register one animal. If there is inadequate space in the barn to accommodate all registrations, exhibitors from Douglas and Chelan Counties will be given preference. Owners of disallowed animal exhibits will be notified as soon as possible after the deadline for livestock registrations. Decisions made by the barn Superintendent are final.

CLASS 1 – AGRICULTURE EXHIBIT

FABRIC AND FIBER ARTS

Rules and awards apply to all divisions listed below.

All exhibits in this department must be the work of the exhibitors and must have been completed within the last two years. No articles that have been judged before in the NCW Fair can be accepted for exhibit a second time.

Exhibitors may enter up to five (5) unique and different articles per lot in each class in NEEDLEWORK, SEWING, and QUILTING Divisions. Articles are considered UNIQUE if they vary by pattern or technique, and not just color.

Exhibits that significantly combine two needlework techniques may be entered in two lots with separate judging for each technique. For example, a pieced quilt of hand-embroidered squares may be entered in both quilting and embroidery lots. GARMENTS AND QUILTS MUST BE CLEAN AND LAUNDERED. The superintendent has the right to decline any exhibit that does not meet the above requirements or is not suitable for display.

Special Awards:

1. Best of Show – Best of Show ribbons will be awarded in each division (Needlework, Sewing, Quilting).
2. Best Youth exhibit in Fabric and Fiber Arts will receive a special award.

HINTS FOR PREPARING VEGETABLE EXHIBITS:

Only vegetables of marketable quality will be considered so select exhibits carefully. Look for uniformity. Avoid those that are bruised or blemished.

Roots: Leave tops approximately one inch long on crops such as carrots, beets, parsnips, turnip, and salsify. Wash carefully.

Beans: Tender and without strings; uniformity extremely important; no noticeable bulges due to enclosed beans.

Cabbage: When peeling, leave one set of leaves to be removed in preparing the cabbage for the table.

Carrots: Avoid injury by severe washing. Smoothness and a genuine carrot color usually accompany good quality carrots.

Corn: Cut straight with tips and butts full size and filled to end.

Cucumbers: Use a knife when picking. Leave 1/2" of stem on.

Eggplant: 5" diameter at largest point.

Muskmelon: Netting deeply ridged uniformly over entire melon; greenish-yellow ground color.

Onions: Should be dry; remove only as many outer husks as necessary to make onions look clean and attractive. Roots may or may not be removed.

Parsnip: Avoid breaking tips; 2"-3" diameter at crown best.

Peppers: Uniform size and color

Potatoes: Average commercial size - dig and wash carefully.

Pumpkins & Squash: When ripe, shell is too hard to be pierced with thumbnail; harvest with knife, leave 1"-2" stem.

Tomatoes: Green stems may or may not be removed; use scissors; uniform size and color.

Turnips: Average size - do not remove tails.

Awards:

A rosette awarded to each of the following: the largest cabbage, squash, pumpkin and zucchini. Shape is not important; the award decided by weight. Adult 18 & over.
