

NEEDLE ARTS

Exhibits Received: Saturday, September 14, 10:00 AM to 4:00 PM

1. **All exhibitors are required to read and abide by the Georgia National Fair General Rules And Regulations. PLEASE NOTE... IT IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND THE RULES. If you have questions, you may certainly e-mail us at: contests@gnfa.com.**

Please help us prevent entry disqualifications.

2. Divisions in the Needle Arts Department are based on skill level.

The **Novice Division** is intended for those new to the art and at the very basic beginner level.

The **Intermediate Division** is the average skill level where most exhibitors will enter.

The **Open Division** is offered for the more advanced exhibitor whose projects demonstrate more complexity of design. The amateur exhibitor whose work is competitive at a higher than average level of his/her art and professionals will enter in this category.

3. It will be left to the exhibitor to determine under which Division he/she should exhibit. Once an exhibitor places consistently in the top awards he/she is encouraged to move up to the next skill level.

An exhibitor who accumulates 12 blue ribbons or two Best in Category Awards within a department will be required to move up to the next skill level.

Judges may move items up in skill level if quality of the work merits. Management reserves the right to move work to a higher skill level if merited.

4. Items in this Department may be entered at different Skill Levels, **but all entries using the same method or technique must be entered in the same Division.** For example, an exhibitor may be at the **Open Division level in Cross Stitch, but a Novice in Knitting.**

5. All articles in Needle Arts must have been handmade and completed by the exhibitor within the last five years.

6. Exhibitors may enter as many classes as they wish, but **not more than two entries per class**, and each entry must exhibit a different style, design, or purpose. Up to 5 items are allowed in "Other Not Listed" classes, as long as each entry is

different by style, design, or purpose, and items do not fit in another category. The "Other Not Listed" category may not be used as a means to exceed the limitation of two items per class.

7. All articles that require hanging for display (i.e., framed pieces) should be brought with wire securely attached and ready to hang.

8. The name of any pattern used should be listed on the entry form or in the notes section of an online entry.

9. Entries must be in excellent condition. Incomplete, torn, or soiled items will not be accepted.

DELIVERY NOTE: If you are hand delivering to the Fairgrounds and have items that have later delivery dates, e.g., Youth Art, Food Preservation, Budding Artists, etc., you may bring those items with your entries on the earlier delivery date.

10. Premiums will be paid from judges' record sheets and not from ribbons attached to the exhibits. Premium checks will be mailed within six weeks after the Fair is over.
