The Siskiyou Golden Fair Rodeo Committee is producing the 2024 Fair Rodeo again. The Rodeo will consist of a performance of 10 contestants or teams per event. The committee reserves discretion to add contestants to event totals. The Rodeo will be filled by call in and call back except for the traditional Siskiyou County events – Mutton Busting and Saddle Cow.

We have attempted to focus on three key objectives:

- (1) to provide safety for everyone involved in the event,
- (2) to ensure that rules are fair and followed by participants in the event,
- (3) to ensure this is a fun, thrilling and entertaining event for everyone.

We encourage you to read all the rules carefully and in their entirety. While we have made these rules with safety in mind, we and our agents do not assume any liability in respect to the rules, your application thereof and your safety. We have provided flexibility in areas where, in our opinion, safety is not compromised, nor an unfair advantage created in the interest of ensuring fairness that the rules are subject to the interpretation of our event officials.

QUALIFICATIONS

The Rodeo will be filled by standard Call In and Call Back procedures. Payment must be made by credit card at call back to qualify for the 2024 Siskiyou Golden Fair Rodeo. The exception being Saddle Cow and Mutton Busting which will be filled with a roll down within qualifier rodeos in Siskiyou County – qualified ties at any rodeo supersede roll downs.

NON-QUALIFICATIONS

Contestants individually and in team events can only enter the rodeo once per event.

EVENT RULES

Events will be governed by CCPRA rules, except for: Saddle Cow, Ranch Broncs and Ribbon Roping.

Should an event not have a qualified winner in all places, there will be no ground splits paid to the contestants. Payouts are based on performance times and scores only.

All contestants will be required to check in pre-rodeo with the rodeo secretary. These rules will be posted online and at the secretary's table – it is the sole responsibility of the contestant to know and understand the rules for this rodeo.

All contestants including riders, runners and hazers will be required to be in full western attire. – Cowboy Hat, Cowboy Boots, and a long sleeved cuffed and collared shirt – safety helmets are acceptable in place of the cowboy hat.

6. Nothing can be thrown at the cow from a contestant.
7. The hazer and cow cannot come in contact with each other during the ride.
8. The saddle must hit the back of the chute from which the cow was released to stop the time.
