

# Welcome to the 41<sup>th</sup> Annual 4-H & FFA Livestock Auction

**Thursday, July 25, 2024**

# Ways to Support the 4-H and FFA Livestock Exhibitors

This year, you will again be able to support the exhibitors in two ways.

- 1) **Animal Sale Purchase** – You will be able to purchase an animal by yourself or with additional buyers splitting the cost evenly. We will be selling all animals by head and not as a price per pound. After purchasing a steer, heifer, hog, or lamb, you will be able to choose to send your animal to one of the meat processors or allow the exhibitor to take the animal home; both of these options require you to pay the full sale purchase price of the animal. You can also choose to “floor” these animals. When you choose the “floor” option, you will only be responsible for paying the price over market value of the animal. Market value of the animal will be determined on the day of the auction and will be listed in the sale bill.
- 2) **“Add-On” Contribution** - As an add-on contributor, you are not purchasing an animal or a portion of an animal. You are simply making a donation to a specific exhibitor to receive on top of the sale purchase price of their animal. You can make an add-on contribution at any time during the livestock auction by returning to the registration trailer with your bid number.

*As a token of appreciation, both animal sale purchase buyers and add-on contributors from the 2023 and 2024 livestock auction will receive an invitation to the Buyers' Appreciation Dinner with admission tickets. We appreciate each and every one of you. Thank you for your support!*

## Payments

When you are finished with your purchases for the evening, please come to the registration trailer to pay your bill. Please make checks payable to ST. CHARLES COUNTY FAIR. You may use a credit card for your purchases, but a 3% service charge will be added to your total.

**Do NOT pay the exhibitor directly!**

# Meat Processors

After you have purchased your animal, please come to the back of the auction arena to get your picture taken with the exhibitor and animal. The processors are listed below. Please let us know where you want your animal to go. After you have purchased an animal, please say the number that goes with the processor.

# Prayers for PK

This is Penelope Karrenbrock and her steer Butter. This year was Penelope's first year raising a market steer to be shown at the St. Charles County Fair.

Earlier this year, Penelope was diagnosed with an extremely rare and complex tumor in her spine known as DMG (Diffuse Midline Glioma). After her diagnosis, the Karrenbrock Family quickly felt a calling to share the same outpouring of love, support, and prayer with others who are traveling this same journey.

PK'S PRAYERS (a 501c3 public charity) was born in April of this year. PK'S PRAYERS is devoted to supporting children facing similar diagnosis as Penelope. Their mission is to provide resources, emotional and financial support to the patients, families, caregivers, and institutions.

Within the first 60 days, they have already made an impact on patients who've requested their assistance as their journey unfolds.

Tonight we will sell Penelope's market steer as 'Giving from the Heart' donations. During the Live Auction, we will sell 4 tiers of donations (\$10,000, \$5,000, \$2,500, and \$1,000). Any other amount can be donated by visiting the registration trailer throughout the evening. All funds from Penelope's market steer will be donated to PK'S PRAYERS to ensure they can continue to support others.
