

2024 YOUTH MARKET LIVESTOCK SALE

Buyer registration - 8am
Sale begins - 9am

Welcome to the 2024 Youth Market Livestock Sale!

We're excited to have you here for what we hope will be another very successful sale benefiting youth livestock exhibitors from Kootenai and Shoshone counties.

Payment is due and expected the day of the auction. Payments may be made using cash, check or credit card (a service fee will be added for credit card payments). Payment arrangements may be made with checkout personnel for corporate accounts only.

Please make checks payable to : Youth Stock Show and Sale (YSSS)

GRAND AND RESERVE CHAMPION ANIMALS: All Grand and Reserve Champion large animal livestock species will be harvested and inspected at a USDA processing facility. There will be no charge to the buyer for the USDA inspection.

3 Ways to Buy:

- 1. Custom Slaughter** - The most popular way to buy, you purchase an animal at the sale and select a custom meat processor (representatives from local processors are in the hospitality tent). You will work with your processor to select cuts and other options. Besides obtaining top quality meat, you'll also be supporting a local youth exhibitor.
- 2. Take Out** - Buyers may purchase animals (except Grand and Reserve Champions) "on the hoof". Buyers must make arrangements to pick up their animals the evening of Sunday, August 25th.
- 3. Turn** - This is a great option for businesses or individuals to support the sale without taking any animals or meat home with them. The buyer will indicate "TURN" at the time of the winning bid and the animal is purchased by our floor buyers at the posted price. The buyer then only pays the difference between their bid and the posted turn price.

Support/"Add On" Money - add support money to individual exhibitors:

- Support money must be paid at time of pledge - you will not be billed.
Please fill out an "add on" form at the registration desk for sale day add-ons.
 - Support monies can be added online at any time for up to a week after the conclusion of the auction. Scan the QR code to add money online.
- All added support money will be included on exhibitor's sale proceeds check.

Ribbon Placing

Blue Ribbon

- High quality
- Very desirable carcass (very little fat trim)

Red Ribbon

- Average quality
- Good carcass (moderate fat trim)

White Ribbon

- Fair quality
- Carcass may lack ideal finish (may be over lean/fat)

2024 Average Daily Gain Winners

The Average Daily Gain (ADG) contest was developed to encourage and reward good choices in animal genetics, feed programs and animal care. To be considered, the ideal finished animal should fit within industry weight standards as reflected in the Youth Stock Show and Sale minimum and maximum weights. The Average will be considered from official weigh in dates until official show weight is established. Pounds gained divided by number of days equals average daily gain. In the case of a tie, the animal with the highest placing in the quality judging will be determined the winner.

Congratulations!

Beef

- 1st Place: Ruby Lopez
- 2nd Place: Mackynzi Mills-Drader
- 3rd Place: Lochlan Gould

Sheep

- 1st Place: John Marshall
- 2nd Place: Jonah Clay
- 3rd Place: Lochlan Gould

Goats

- 1st Place: Emily Knehans
- 2nd Place: Peyton Storey
- 3rd Place: Josie Nagle

Swine

- 1st Place: Roman Brunner
- 2nd Place: Easton Darty
- 3rd Place: Kendall Darty
