NO MILK PRODUCTION REFUNDS

Rules and regulations adopted by the Indiana State Board of Animal Health to govern the entrance into and movement within said state of certain livestock are as follows:

**REGULATIONS FOR THE EXHIBITION
OF DOMESTIC ANIMALS**

Sec. 1. HEALTH CERTIFICATE REQUIRED

(a) Approved Official Health Certificate. All out of state swine and cattle shall be accompanied by an approved health certificate or official health certificate with a permit. A permit may be obtained by calling 317-232-1330. All Indiana swine and cattle shall be accompanied by an approved official health certificate unless otherwise exempted by this rule (345 IAC 7-5).

(b) Official Health Certificate: The following are required to have an official health certificate:

- (1) All equine, sheep and goats
- (2) Indiana steers.
- (3) Out of state poultry.

(c) No Symptoms of Disease: Such animals must show no symptoms of any infections or contagious disease and be permanently and individually identified as such identification must be clearly indicated on the accompanying health certificate; provided, however, at the discretion of the state veterinarian, the health certificate may be waived in lieu of an inspection by personnel approved for this purpose by the state veterinarian. No cattle may be exhibited that show warts or ringworm.

Sec. 2. PERIOD HEALTH CERTIFICATE VALID

The official Indiana health certificate is valid for ninety (90) days and an approved health certificate on animals from out of state is valid for thirty (30) days.

Sec. 3. FILING OF HEALTH CERTIFICATE

A copy of the official health certificate must be on file at the state veterinarian's office previous to the opening day of exhibition.

Sec. 4. QUARANTINED ANIMALS PROHIBITED

Domestic animals which are under quarantine are not eligible for exhibition in Indiana.

Sec. 5. ANIMALS CLASSIFIED AS "SUSPECT" OR "STABILIZED SUSPECT" PROHIBITED

Any animal classified as a Brucellosis "suspect" or a "stabilized suspect" is not eligible for exhibition in Indiana.

**Sec. 6. DETERMINATION OF
ELIGIBILITY OF ANIMAL**

(a) DETERMINATION OF ELIGIBILITY - The determination as to whether any animal meets the requirements for eligibility for exhibition in Indiana shall be made by personnel assigned to the exhibit by the State Veterinarian. The animal shall not be exhibited pending any appeal.

(b) DISEASED ANIMAL REMOVED - Any domestic animal that develops or shows signs of any infectious or communicable disease during exhibition must be removed from the premises and surrounding exhibition grounds when determined by personnel assigned to the exhibit by the State Veterinarian.

Sec. 7. IDENTIFICATION AND DESCRIPTION

All domestic animals requiring a health certificate for exhibition must be permanently and individually identified by an acceptable method such as an ear tag, tattoo, standard ear notch, individual brand or breed registration number and shall be described on the accompanying health certificate as to age, sex, and breed.

The official identification procedures acceptable for cattle exhibited in Indiana are: Official eartag, tattoo, individual brand or registration number if accompanied by registration papers.

If any additional identification is present one (1) of them should also be listed on the health certificate.

Sec. 8. PSEUDORABIES; ISOLATION

Cattle, sheep and goats existing on premises infected with Pseudorabies must be isolated not less than fourteen (14) days from infected swine and any other species showing symptoms of the disease previous to exhibition.

**Sec. 9. TUBERCULOSIS TEST
REQUIRED FOR CATTLE**

All out of state cattle shall have passed a negative test for Tuberculosis within (60) days prior to the opening date of the exhibition, except:

- (1) Cattle from accredited herds (accrediting date must be listed on health certificate).
- (2) Cattle under 180 days of age.
- (3) Cattle from Accredited-free states.

NOTE: Animals offered for sale at exhibition must meet import requirements of state of destination.
