## INTERNATIONAL ASSOCIATION OF FAIRS & EXPOSITIONS (IAFE) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers or absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following are list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

# SOUTH FLORIDA FAIR

PALM BEACH COUNTY EXPOSITIONS, INC.

## ANIMAL WELFARE POLICY

The purpose of the South Florida Fair's Livestock Committee is to address all issues of animal care including:

- Appropriate care and management of animals while on the South Florida Fairgrounds by exhibitors
- Educational programs for exhibitors and the general public
- The philosophy of the South Florida Fair in regard to animal care and management
- Handling expressions of concern for animal care from the public

## PHILOSOPHY STATEMENT

The South Florida Fair is an animal welfare advocate requiring the humane treatment of animals. Animal welfare advocates continue to expand their knowledge base about animals, their behavior, and their management as science and technology dictate. Animal welfare advocates celebrate the bond between animals and humans.

IN CONTRAST, animal rights activists seek to sever any bond between humans and animals. Most animal rights activists believe animals should only be admired from afar, without human intervention. A large fraction of the movement is also pushing for animals to be given the same rights and status as humans. Animal rights activists fundamentally believe animals should not be utilized to feed, clothe, assist, entertain, or benefit humans.

## GENERAL RULES AND REGULATIONS FOR ALL LIVESTOCK, POULTRY AND RABBIT EXHIBITORS

**\*\* The use of "Livestock" throughout this document is intended to include all Beef Cattle, Steers, Hogs, Dairy and Meat Goats and Dairy Cattle.**

1. Entries and awards in all livestock, poultry and rabbit departments shall be subject to the rules and regulations published in the premium book. Each exhibitor must complete and submit, in its entirety, the Fair's online entry form via ShoWorks, and the W- 9 form and photos of market steers and hogs. No paper, faxed, mailed or day-of entries will be accepted. Any entries received without payment will not be accepted.
2. All livestock, poultry and rabbits must meet expected industry standards and body score conditions.
3. All livestock, poultry and rabbit arrival/check-in dates/times, as applicable, will be strictly adhered to.
4. The Sell-a-Bration of Champions Youth Livestock Market Auction is a terminal event for both market steers and market hogs.
5. ALL YOUTH EXHIBITORS ENTERED IN THE SOUTH FLORIDA FAIR YOUTH SHOWS MUST HAVE COMPLETED THE ETHICS TRAINING WORKSHOP OR HAVE A CURRENT ETHICS NUMBER BEFORE JANUARY 1, TO SHOW AN ANIMAL AT THE SOUTH FLORIDA FAIR. **Poultry/pullet exhibitors, ages 5-7 years old, are not required to have an ethics number.**
6. The South Florida Fair believes that every youth exhibitor should receive proper training and information for raising and showing an animal project. It is important that the exhibitor understands: the purpose and importance of ethics in youth livestock projects, proper animal handling and management, and the difference between animal welfare and animal rights. The MANDATORY Youth Livestock Show Ethics and Animal Care Workshop is designed to certify exhibitors to meet these requirements. This program has been endorsed by the Florida Department of Agriculture and Consumer Services and the University of Florida, IFAS.
7. Youth livestock exhibitors cannot be under the age of 8 or over the age of 19 as of January 1 current year, depending on the animal they are showing (see rules per specie). Youth exhibitors must also be attending school (elementary, middle, high), or be enrolled in a certified home school program. Youth exhibitors who have graduated from high school or obtained their High School GED are not eligible to compete in youth shows (unless breed show rules supersede.) MARKET PROGRAM EXHIBITORS MUST PROVIDE PROOF OF SCHOOL ENROLLMENT, unless otherwise stated in the specific specie and breed association rules.
8. Upon submission of entries, exhibitors agree to abide by the IAFE National Code of Show Ring Ethics, the Florida Department of Agriculture and Consumer Services guidelines, the rules and regulations listed in this book and online by the South Florida Fair for Admission of Animals for Exhibition. The South Florida Fair shall govern the competitions at the South Florida Fair.
9. All animals must have a current and valid health certificate upon arrival. The original health certificate must be presented on-site; no phone photos or copies are allowed. The Livestock Committee Chairperson and/or staff and management reserves the right to reject or disqualify any entry and/or have removed from the fairgrounds any entered animal deemed by any of them to be unsafe, uncontrollable, ill or underweight. The South Florida Fair, by and through its Livestock Committee Chairperson and/or staff and management, reserves the final and absolute right to interpret these rules and regulations and to settle and determine all matters, questions, or disputes in regard to these rules and to all Shows.

Bullying includes cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on an exhibitor which may include: Teasing; Social exclusion; Threat; Intimidation; Stalking; Physical violence; Theft; Sexual, Religious, or Racial harassment; Public or private humiliation; or Destruction of property. "Harassment" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct directed against an exhibitor that: Places the exhibitor in reasonable fear of harm to his or her person or damage to his or her property; Has the effect of substantially interfering with the exhibitor's performance, opportunities, or benefits; or Has the effect of substantially disrupting the orderly operation of the shows. If an exhibitor is subject to bullying or harassment, it should be reported to the Livestock Committee Chairperson for investigation and corrective action, if necessary.
12. Protests: All Livestock/Poultry/Rabbit protests must be submitted in writing and accompanied by a deposit of \$100.00 cash or certified check, which will be forfeited if protest is not sustained. Such a protest must state plainly the cause of the complaint or appeal and must be delivered to Fair's Livestock Committee Chairperson within twenty-four (24) hours after the occasion for such protest. The Livestock Committee Chairperson shall within a reasonable time period after the protest is submitted, consider and issue a decision on the matter protested. Should the exhibitor disagree with the decision of the Livestock Committee Chairperson, they may appeal the matter to the South Florida Fair AgriBusiness Manager, whose decision shall be final.
13. Disqualifications: Any exhibitor who has been disqualified from competition in any livestock show or has premiums withheld or withdrawn on the grounds of rule violation(s), will not be allowed to compete in other shows. This shall include, but is not limited to, disqualification for fraud, misrepresentation, unethical fitting, deception, bullying or harassment. Judging procedures will not be interrupted for protest investigation, and depending on the basis of the protest, a decision may be withheld until a thorough investigation is completed. No complaint or appeal that a judge overlooked an animal, will be considered. If any exhibitor, in any way, whether in person or by their representative, interferes with the judge(s), or shows any disrespect to them or to show officials, the existing show may excuse him/her from the ring and exclude him/her from further competition; premiums that may have been awarded may also be withheld. If an animal is disqualified after having won awards or premiums, the animals placing below him may be moved up at the option of the Livestock Committee, to fill the vacated position.

MUST HAVE COMPLETED THE ETHICS TRAINING WORKSHOP OR HAVE A  
CURRENT ETHICS NUMBER BEFORE JANUARY 1 TO SHOW AN ANIMAL.**

The Florida State Fair and the South Florida Fair, along with many other Fairs throughout the State of Florida, believe that every youth exhibitor should receive proper training and information for raising and showing a youth animal project. The only exception to the Ethics Number requirement is the Youth Pullet/Poultry Exhibitors, ages 5-7.

The Youth Livestock Show Ethics and Animal Care Workshop is designed to educate exhibitors on the mandatory procedures and requirements that will be in effect for the South Florida Fair.

NOTE: While most Florida fairs have adopted this ethics program, the rules governing the exhibitors differ from fair to fair. It is the exhibitors responsibility to make sure they are in compliance with EACH fair where they are showing.

It is important that the exhibitors understand:

- The purpose of youth livestock projects
- The importance of ethics in youth livestock projects
- Proper animal handling and management practices are the core of all successful livestock projects
- Be prepared to be an ambassador for animal agriculture

This program has been endorsed by the Florida Department of Agriculture and Consumer Services and the University of Florida, Institute of Food and Agricultural Sciences (IFAS). Certifications are valid for three (3) Fair seasons, not 3 calendar years. For the 2024/2025 Fair season, certification numbers starting with 23, 24 and 25 are valid.

# 2024-2025 Florida Cattlemen's Association Premier Awards – Point Series

Program Est. 1956

## Rules and Scoring System

1. There are six-point shows included in the Florida Cattlemen's Association Premier Awards.
2. To qualify for premier points, an exhibitor must attend three or more of the six designated shows and each show must have at least 10 head for that breed with a minimum of two exhibitors. 5 of the 6 shows will be calculated, allowing for one drop score per animal.
3. All shows must follow rules and uniform classes outlined by the respective breed associations for each breed that competes.
4. To qualify for premier points and premier awards, an exhibitor must be a member of the Florida Cattlemen's Association as of January 1st of the year the award is given.
5. Premier award winners must provide pictures and information for display, recognition, or promotion by the Florida Cattlemen's Association.
6. All disputes will be considered upon receipt of a letter explaining the discrepancy.
7. Premier award winners will be notified prior to the FCA convention.

### Scoring System

- Points are earned by earning championships at each show, with each breed being calculated separately. Grand champions earn four points while reserve grand champions earn three points. Division champions earn two points and reserve division champions earn one point.
- After totaling the points for each individual animal at the show, the numbers of earned points are multiplied by the number of head in the show for that breed.
- Cow Calf Champion and Reserve Champion are awarded points as a division.
- Cow and bull multipliers are the same.
  - If there are 85 cows and 15 bulls at a show the number of head is 100. That is used for both Females and Males in calculations.
  - A bull who won Grand Champion at the show above would earn 400 points for the Grand Championship (4x100) and 200 points for the Division Championship (2x100) for a total of 600 points at that show. The Grand Champion cow (who of course had to win the Division to be Grand) would also earn 600 total points for the combined Grand Championship and Division Championship.
- Group classes are not included in the accumulation of points.
