February 24th is just around the corner! To streamline the bidding and purchasing process, we are offering the opportunity to pre-register.

The QR code labeled 'Pre-registration' on the front of this card will take you to the pre-registration page. This doesn't obligate you to anything; it just puts you a step ahead on the sale day. Skip the line and go to the table to collect your bidding paddle.

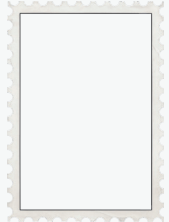

If you would like to register on the day of the sale, a table will be set up for you to register and collect a paddle.

There is also a QR code labeled 'Bidder's Guide' if you are interested in reading the Bidder's Guide beforehand.

There will be a dinner before the sale. Please come and enjoy the company and great food! The committee will also send an invitation to the dinner; please look for that soon.

Thank you for being so supportive! Your commitment to the children of this community is appreciated.

We look forward to seeing you.  
Your 2025 Pasco County Hog Committee
