GETTING HERE

All Vendors will enter through Gate "A" (commonly referred to as "West Gate") located off Houston Street to begin the check-in process.

Upon arrival, vendors will receive a "Dash Pass" for their vehicle, containing the vendor's name and on-site contact number. This pass must be kept face-up on the dashboard throughout the duration of the event. If the contact information is not visible, the information pass is missing, or the Shops at the Rodeo vendor is not able to be contacted, the vehicle will be towed at the owner's expense.

CHECKING-IN

Once Vendors have received their "Dash Pass", they will then be directed to the Expo Hall to begin unloading. Before leaving the property, vendors must visit the check-in station located at the Vendor Break Room where they will receive their credentials.

CREDENTIALS

Vendors will be issued car and vendor passes at check-in. An authorized signature is required to release those passes. These passes are issued according to the size and space outlined in the license agreement. Additional passes may be purchased at check-in or during the show at the Rodeo Retail Office at the prices below. Single day parking passes must be purchased day-of in any public lot at price listed for that lot.

Any vehicle found with an unauthorized or counterfeit parking pass will be towed. In addition, the registered vendor of the authorized sticker is liable for a fine up to the full face value of the sticker.

Please note that Gate G may experience temporary closures during peak times. If this occurs, use Gate A as an alternative entry point. Refer to the parking map at the beginning of this Handbook for detailed gate and lot locations. Be advised, vehicles parked outside designated areas are subject to towing at the owner's expense.

Overflow Parking:

When vendor parking and overflow areas reach capacity, vendors can park at the Express Shuttle Lot at no charge and use the complimentary shuttle service to the grounds. If redirected to the Express Shuttle Lot, please inform the parking attendant and ticket sellers that you are a vendor with credentials to avoid any parking or admission fees.

Special Parking Requirements:

- Cargo trucks and oversized dually pick-up trucks must be parked in the back lane of the vendor parking lot. Mobile homes are not permitted in the vendor parking lot.

Horse Show Capacity Days:

- On days when Horse Show activities exceed the capacity of the Green Lot, vendors will be redirected to overflow parking. Notifications with specific dates and times will be sent via our text message system, which vendors are required to sign up for during check-in.

TRAILER PARKING

Free Parking:

Off-site parking will be provided free of charge at the Salado Creek Property off IH-35. Vendors will need a Trailer ID Sticker which will be issued at check-in should the owner need to be located.

Restocking Space is sold on a first-come, first-served basis and will be limited to one space per exhibitor. Restocking Space can be reserved beginning Monday, January 6, 2025, and must be paid in full upon the move-in date to receive the trailer pass. BOOTH DESIGN GUIDELINES

★ OVERVIEW ★

All booths will be evaluated and photographed during the event to identify if vendors have met and maintained the Show's standards of presentation. The results of the evaluations will be considered when offering invitations to future shows. Generally, the evaluations are based on booth appearance throughout the event, management and personnel practices, and compliance with the rules and regulations of the Shops at the Rodeo Handbook and the San Antonio Livestock Exposition, Inc. License Agreement. Any booth not in compliance or found to be offering merchandise outside of their approved category will be in violation and measures will be taken to remedy the violation. This will include the removal of the unapproved merchandise, as well as the non-renewal of an invitation to participate in future events.

ADVERTISING

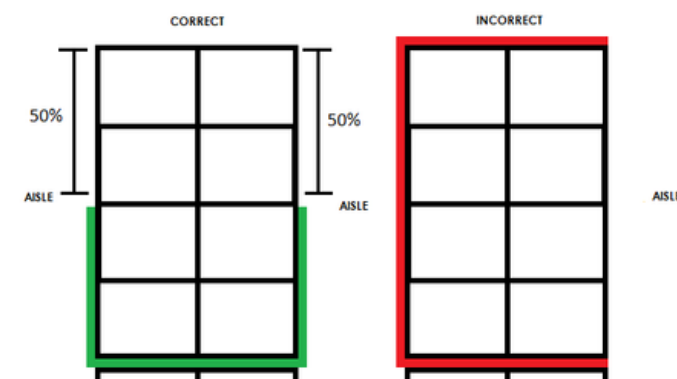

Vendor is permitted to advertise only in their assigned space. Advertising using posters, handbills, flyers, etc. on buildings, trees, restrooms, posts, parked vehicles, or other areas is not permitted.

APPEARANCE

If an item does not relate to vendor's specific theme or product, does not enhance the appearance of the vendor space, or is not for sale, it does not belong in view of the public (ex: boxes, containers, fans, food, soda cans, TVs, etc.).

AISLE CLEARANCE & ACCESSIBILITY

Merchandise, displays, fixtures, signs, or any other property of the vendor may not extend into the aisle. All elements of the booth must be contained within the marked space. Vendors who have a space that is accessible from two or more aisles must leave at least 50% clearance on all sides to allow patron access. See image.

AUDIO VISUAL

Booth sound of any kind must be kept at a level that does not interfere with neighboring vendors. If there is a discrepancy, the Retail Director may determine the sound level or require removal of the sound for the duration of the Show.

Video monitors and televisions that enhance and aid in the presentation of products will be allowed with the Retail Director's approval. Viewing ballgames, soap operas, movies, etc. will not be permitted.

Microphones will not be permitted. "Hawking" or calling customers over to the booth is prohibited. Exceptions must be submitted via the online Variance Request Form prior to the Show and approved by the Retail Director. Any approved microphone use will be subject to sound monitoring.

BOOTH COMPOSITION

Vendors are responsible for providing their entire booth display, including chairs, tables, and all fixtures. Vendors are expected to incorporate western/southwestern theme and/or accents into their booth design.

DO

- Use a solid, continuous backdrop
- Ensure walls are at least 8' in height, including sidewalls (vendors will no longer be required to have open side walls)
 - Loose mannequins or display fixtures must be accompanied by a solid backdrop, must not be visible from neighboring booths, and must also remain in the 10' height limit
- Ensure booth is free-standing and is of sound structure
- Provide a professional sign with your booth name
- Provide professional "Sale" signage using "Show Special" or "Rodeo Special" verbiage (if applicable)
- Hide storage boxes and extra inventory out of public view (extra storage space will not be provided)
- Leave space at the front of your booth if you are demonstrating a product to accommodate potential crowds

DON'T

- Block building structures such as doors, utility fixtures, and air returns
- Block utility easements (or use utility easements for storage)
- Exceed 10' (including signs, props, mannequins, boxes, decor, etc.)
- Affix your booth to any walls, columns, poles, or other permanent building structures
- Use Tents, Canopies, or Easy-Ups as part of an indoor booth display
- Advertise above neighboring booth spaces, i.e. face all signage in toward your booth space only
 - If signs are double-sided, the back should be covered for the duration of the Show

*If a vendor wishes to obtain an exception to these rules, a Variance Request must be submitted and approved by the Retail Director.

BOOTH NAME SIGN

Each vendor shall prepare and hang their own sign indicating booth name. The sign must hang within the designated 10ft height limit unless an exception is made by the Retail Director.

BOOTH NUMBER SIGN

All vendors will be issued a booth number placard in their check-in packet. This number must be displayed in the top right, or left-hand corner in the front of your booth.

BUILDING TEMPERATURES

The Show will make every effort to ensure the building temperatures are set at a comfortable level. Vendors located near entry and exit doors should be prepared for outside conditions, i.e. wind, cold, and heat.

CARPET

There will be no carpet in the aisles of the Shops at the Rodeo. Carpet or flooring in each booth is recommended but not required. Carpets/flooring must be secured with tape that coordinates with carpet/flooring color and/or booth decor.

CLEANING

Show staff will not be responsible for vacuuming or mopping vendor booth space. Vendors who have trucks, trailers, and /or farm equipment may not wash those items on the fairgrounds due to health regulations.

Vendors are responsible for properly disposing of all trash associated with their booth. Trash must be tied closed to eliminate spillage in the area and placed inside the provided receptacles. Boxes and other large trash may not be disposed of in public waste receptacles. All boxes must be broken down and taken to the recycling bins or trash dumpsters. If at any time the trash or recycling builds up near your booth area and it is not being picked up promptly, please contact the Rodeo Retail Office for assistance so the situation can be remedied.

CORD & HOSE COVERS

All cords and hoses in areas open to foot traffic must be covered with rubber floor molding or securely taped down and approved by Show safety coordinators.

DISPLAY EQUIPMENT & MERCHANDISE

Vendors shall provide adequate props to merchandise the booth in an attractive manner. Displays and fixtures must be structurally sound and secure. Rodeo Retail committee members may require alteration of booth displays if they are deemed unsafe. Fire Marshal rulings do not allow the use of hay or hay bales for merchandising props inside buildings.

PORTABLE BUILDINGS

Outdoor Vendors may have small portable buildings on skids to be used as a sales office, i.e. Connex boxes. Buildings used as sales offices should be visually appealing and “dressed” with appropriate signage.

RENTALS

Chairs, draped tables, carpet, lifters, trashcans, etc. may be purchased from the contracted decorating service. An order form may be requested by contacting Illusions.

**MEDICAL,
SECURITY,
— AND —
EMERGENCY RESPONSE**

MEDICAL

The Medical Committee of the San Antonio Stock Show & Rodeo staffs first aid stations on the grounds and in the AT&T Center to provide minor and emergency medical attention to patrons, exhibitors, and contestants visiting the show. In the event of an emergency, please notify any of our staff or police personnel in your area to ensure that appropriate emergency personnel is notified and dispatched. In case of a medical emergency, please call (210)228-4837.

SECURITY

The show will provide 24-hour limited security from the time vendors arrive on the fairgrounds until they leave the premises. However, the San Antonio Stock Show & Rodeo is not responsible for any claims of damages or theft. Incidents of theft, loss, or damage should be reported to Show Security and the Rodeo Retail Committee Office on the same day of the occurrence. If the incident occurs late at night, it is the vendor's responsibility to make a report the following day as soon as they arrive at the fairgrounds.

While the San Antonio Stock Show & Rodeo provides reasonable security in all retail areas, additional security or safekeeping of the vendor's inventory, merchandise, goods, displays, and other items is the sole responsibility of the vendor. Please make sure that the booth is staffed with the appropriate number of people to deter shoplifting, especially on heavy traffic days. Vendors should take measures to secure the booth overnight.

EMERGENCY PLAN

S.A.L.E. has an Emergency Plan that includes protocols for fire, bomb threats, explosions, severe weather, accidents, and catastrophic events. Threat assessments are conducted each year with local authorities which include fire, police, and FBI. As each situation will be different, S.A.L.E.'s Executive Director/CEO, Chairman of the Board, and/or President will work with S.A.L.E. Chief of Police to determine the appropriate action.

The Executive Director & CEO, Chairman of the Board, and/or President will assume the responsibility for coordinating emergency actions with the Chief of Police or, in his absence the Assistant Chief of Police.

In any case, a designee may act with the authority of the named position or officer stated in this plan. In the event an emergency situation is observed by a vendor, the vendor should immediately inform the Police. The Chief of Police (or Chief of Police) will notify the Executive Director & CEO, Chairman of the Board, and/or the President.

The Police Office located at Gate A (West Gate) serves as the Command Post for all emergencies. Phone numbers for Police are:

- S.A.L.E. Police Dispatch – (210) 228-4837

S.A.L.E. has a communication plan for emergency situations. Information to the news media or the public concerning emergency activities will be released by the Chief Marketing Officer at the direction of the

Executive Director & CEO, Chairman of the Board, and/or the President. In regards to social media, vendors should be mindful that they are representatives of the San Antonio Stock Show & Rodeo, and as such, they should be careful not to speculate on facts or provide eyewitness accounts on their social media pages. Instead, they should use their social media influence to direct friends and followers to the official statement on the San Antonio Stock Show & Rodeo website (www.sarodeo.com), and official social media outlets (www.facebook.com/sarodeo).

EVACUATION

An evacuation of the facilities can only be authorized by the Executive Director & CEO, Chairman of the Board and/or the President. If an evacuation is authorized, the Chief of Police will coordinate and execute the Emergency Evacuation Plan for the facilities.

CIVIL AUTHORITY EVACUATION

The San Antonio Stock Show & Rodeo, along with all other large venues and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by the information available to those authorities that (1) may not be available to the San Antonio Stock Show & Rodeo or classified by the authorities, and therefore the San Antonio Stock Show & Rodeo could not share it with our exhibitors; (2) could arise out of any actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our show.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. San Antonio Police Department (SAPD) and San Antonio Stock Show & Rodeo uniformed Police Officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers, or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately.

The evacuation plan calls for certain, designated Law Enforcement personnel, San Antonio Stock Show & Rodeo management, and maintenance personnel to remain on the show grounds to secure the premises.

In the unfortunate event this occurs, the San Antonio Stock Show & Rodeo will do everything possible to care for personal property, animals, commercial exhibitors merchandise, etc. until the authorities remove the evacuation order and you are allowed back onto the show grounds. No one will be allowed back onto the grounds until the authorities issue that order. San Antonio Stock Show & Rodeo Police and SAPD will enforce the order strictly and in accordance with instructions from the authorities.
