With the help of our Fair Partners and their continued support, the 2024 Wright County Fair was a great success. Each year, the Wright County Fair strives to provide our attendees with affordable family fun. Sponsorships play a pivotal role in the success of the Wright County Fair, providing financial support and contributions to cover various event costs and enhances the overall fair experience for all fair goers. With your support and contribution, we are able to offer daily activities and attractions for all ages young and old; such as daily Grandstand Events, kid's activities, livestock, exhibits, business and food vendors, live music, carnival rides, free entertainment and programs, and so much more. There is something for everyone to enjoy at the fair. By becoming a Wright County Fair Sponsor, you will gain valuable exposure and many other benefits depending on your level on sponsorship. Listed inside are several sponsorship opportunities for your consideration along with what is offered in return for your generous support. If you don't see a package that quite fits your needs, please reach out and we'll work together on one that does. It is with your partnership that we can continue to grow and offer great things at the Wright County Fair...A Family Tradition for over 150 Years.

Thank You for your consideration and support. We look forward to partnering with you.

Thank You
