ENTRIES CLOSE AUGUST 15
Late entries close August 31 and entry fee is double the standard fee.

SPECIAL RULES

1. **Read General Rules.** All entries and awards within this show will be subject to the General Rules and Regulations published in this Premium Book and the following Special Rules.

2. **Eligibility.** All animals entered in the American Aberdeen Show are subject to the provisions of the American Aberdeen Registry.

3. **Identification.** All eligible animals must have a legible tattoo to participate in this show.

4. **Premier Breeder.** Awarded to the exhibitor accumulating the most points on animals bred by him/her and shown in the individual classes.

Premier Exhibitor. Awarded to the exhibitor accumulating the most points on animals (not to exceed 10) exhibited by him/her in individual classes.

Point Tabulation. The highest amount of points allowed per class will equal one less than the number of animals in the class (10 shown first gets 9 points, 2nd gets 8, etc.)

a. Class with only one animal will not receive any points.

b. Points will be given for Divisional Champions & Reserve Champions – equaling the number of classes represented (Cow/Calf and Steer are considered a division) – i.e., 3 classes = 3 points for Division Champion, 2 points for Reserve.

c. No points for Grand and Reserve Grand Champion Female or Bull or group classes.

d. Animals owned jointly will be considered a separate exhibitor in Premier Exhibitor tabulations. Leased animals will be considered an entry of the Leasee.

e. To be eligible for Premier Breeder the breeder must be an exhibitor in the current show.

f. In the event of a tie the number of points shall be divided by the number of animals the points were derived from and the exhibitor/breeder having the higher point average shall be presented the award.
5. **HERDSMAN.** Eastern States Exposition will award a Herdsman’s show stick to the American Aberdeen exhibitor showing consideration to fellow exhibitors and Management representing his/her cattle and farm to the public in a positive manner as determined by the Beef Show Superintendent.

6. **GROUP ENTRIES.** Group classes may be entered on the original entry form or may be entered during check-in, no entry fee required. Each animal must be entered in an Open Show individual class and check in at the ring; exception is the Cow-Calf class.

7. **PROOF OF OWNERSHIP.** The entry’s original registration certificate, online paper or association duplicate (NO PHOTOCOPIES) will be considered as proof of ownership, identity, age and breeder. Ownership listed on the entry must correlate with ownership listed on the registration certificate. Animals under one year of age may show a copy of the registration application statement from the breed association stating animal registration is pending.

8. **EXHIBITOR.** Exhibitor must be the owner or member of a partnership or syndicate owning the animal. Animals owned in partnership or syndicates may be entered and shown in an individual class of the show under the partnership or syndicate’s name. In group classes, partnership or syndicate animals may be entered and exhibited under the name of one of the co-owners, but must be entered in all group classes in the same manner. For the purpose of meeting the requirements in all group classes and for Premier Breeder and Exhibitor, an exhibitor is further defined as those members of an immediate family residing on one farm and where the herd is one unit.

9. **SUBSTITUTION.** Any entry may be substituted within or between classes after the entry deadline, providing the owner and/or part owner making the original entry is owner and/or part owner of the entry being substituted. A registration number assigned by the breed association and accompanied by a letter from the breed will be acceptable. Substitutions may be made among different members of the same family on the same farm.

10. **STEER CLASSES.** Steers must have a Registration Paper. Steers will be divided equally into weight classes after weigh-in. If total animals cannot be divided evenly, the larger class would first be Prospects, then Lightweight, etc. Weighing will be on arrival, following health inspection.

11. **FULLBLOOD VS PERCENTAGE.** Only 50% Aberdeen Angus or greater may compete in the percentage show.

12. **CLASSES.** Any of the classes may be split if the classes become too large, or classes may be combined within a division at the discretion of the Show Management.
