Miss Teen Kosciusko Pageant helps engage women between the ages of 13-17 with the same life skills a woman needs to prepare them for the Miss Contest.

Miss Teen will assist the queen during some activities throughout the fair if her schedule allows it. We also encourage the mother of Miss Teen to take part during these unique opportunities.

This Year's Theme is "Honoring Our Local Heroes"

All contestants of the Miss and Teen pageants will be REQUIRED to participate in the Fair Parade which opens the week of the fair.
