

Addendum A

LIVESTOCK OFFICE AND SPECIES TEAM CHANGES FOR 2025

Dairy:

- Change dairy move in to Thursday AM

Beef:

- Pre assign Chute spaces based on entries for each club/chapter

Sheep:

- Add Southdown division to market show

Rabbits/Cavies:

- Setup up rabbit/cavy check in like poultry

Poultry:

- Move Market Tukey Show and All Showmanship to sheep showing around 4pm on Saturday
- Have Breeding Show and Meat Pen judging on Sunday
- Revamp Poultry barn with Fans and shade cloth and coolers
- All birds exhibiting at the KCF **MUST** be vaccinated for fowl pox. Except waterfowl and wild game.
- Change Chicken Meat Pens to 2 Birds NOT 3birds
- Require a bird entry for the poultry poster contest

Horse:

- Condense Showmanship's into one Showmanship division
- Combine English and Western to make All Around
- -Remove the Parent and Versatility Classes
- Rework the Horse Show classes- recommended by the judge

Auction:

- Bring all hogs in the same side for the auction, coming in both sides slows things down.
- Require all market exhibitors to declare auction status at entry- thus no declaration during fair.

Ag Mechanics:

- Ag Mechanics kids should get a one-day pass for the auction not a wristband.

General:

- Separate the Large and Small Animal Grand Drives so that the drive doesn't take so long.
- Move Kern Bred and Fed back to Monday am
- Change Round Robin to Master Showmanship
- All Qualifying exhibitors are required to participate in Master Showmanship
- No tack delivery during arrival days
- Only Animal deliveries on grounds during arrival days-everyone else gate 39
- All clipping and shearing must be done before arrival- No clipping/shearing on grounds
- Require a Kern Bred and Fed Signature Page for showing since exhibitors are lying about animals.
- Present the Clean Stall, Theme and Premier Exhibitor awards at a different time as the auction is not the right forum.
- Schedule livestock arrival times based on entries
- Remove the Pre Junior-Division- go back to exhibitors under 9 being for exhibit only like the 4-H requires.
- Adjust the Independent Requirements for more regulations
