P. IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) CODE OF SHOW RING ETHICS

- Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain & positive that those younger & more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers & absolutely responsible persons who violate the code of ethics will forfeit premiums, awards & auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs & livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors & should be prohibited from competition at all livestock shows in the United States & Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. 10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. Junior Show Rules

RULES FOR JUNIOR EXHIBITORS: In addition to the General Rules and Regulations and Livestock Entry Rules printed in this Handbook, the following requirements will be in effect for junior exhibitors.

A. ENTRIES

1. **Entry deadline is June 15.** Entries must be submitted no later than midnight on this day. **LATE ENTRIES ACCEPTED UPON PAYMENT OF PENALTY FEES.**
2. **A parent or legal guardian must sign the official Fair entry form to certify that the exhibitor has owned and cared for animals since June 1 or as required by specific division rules. Any entries determined invalid will be returned. No refund will be made.**
3. Junior shows are open to all youth who are 8 years of age as of January 1, but not over 21 years of age as of January 1. Entries from in-state and out-of-state exhibitors will be accepted in the junior shows of all OEF divisions with the exception of the Gold Buckle Extravaganza and the Supreme Beef Heifer Show. To be eligible for the Gold Buckle Extravaganza and the Supreme Heifer Drive, the exhibitor's primary residence must be in one of the following counties: *Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright.* Breeding beef entries outside of the counties listed above will be accepted for the junior show and are eligible to compete for grand and reserve grand champion, but they will not be eligible to compete in the Supreme Drive. Should entries from outside of the

counties listed above be selected as grand champion and/or reserve grand champion in a breed, a grand and/or reserve grand champion will be selected from the southwest region that represents the counties listed as eligible to represent such breed in the Supreme Drive. **There is no cap on the number of breeding beef divisions a junior exhibitor may show in or how many entries they can qualify to compete in the Supreme Drive. However, an exhibitor will only be eligible for one premium in the Supreme Drive. Heifers will be picked until five different exhibitors have been selected to pay premiums.** For example, an exhibitor could win Supreme, Third and Fifth but will only be paid for Supreme and additional six, seven, eight or more heifers may have to be selected to find the five exhibitors to pay.

4. **In order for a beef division to be eligible for the Supreme Drive and Bred & Owned Awards, a \$500 contribution will be required of each breed.** This payment is due in the OEF Livestock office on or prior to June 15. The \$500 will be distributed as follows: \$250 will be awarded to the breed grand champion and \$250 will be awarded to the breed's bred and owned grand champion. Breed grand champions must be shown in the Supreme Drive in order to receive the \$250 award. Otherwise the award will be presented to the reserve breed champion. Should a breed's grand champion be selected as a top five female, \$250 will NOT be awarded on top of the supreme winnings. Any exhibitor who resides in the state of Missouri will be eligible for the bred and owned award, but will not be eligible for the Supreme Drive unless primary residence is in one of the counties listed in #3 above. A breed may elect to contribute \$250 to the bred & owned grand champion and not the \$250 for the breed grand champion and vice versa. However, breeds who elect not to contribute funds to the breed grand champion will not be permitted to compete in the Supreme Drive. The \$250 bred & owned or supreme awards will not be presented unless sponsored.
5. *Gold Buckle Extravaganza entries will only be accepted from exhibitors who are 8 years of age as of January 1, but not over 21 years of age as of January 1, and whose primary residence is in one of the following counties: Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright.* Entries from exhibitors outside of these counties will not be accepted. All information as requested on the entry form must be supplied or entry will not be accepted. Management reserves the right to split any class (based on entries) by age or weight of animals.
6. All addresses submitted by potential Gold Buckle Extravaganza exhibitors will be looked at and confirmed with county maps.

B. OWNERSHIP

1. All entries must be the property of the exhibitor. Breeding Beef and Dairy animals must be registered in exhibitor's name as of June 1, 2025. Breeding Swine, Sheep and Goats must be registered in exhibitor's name as of July 1, 2025. Market animals must be owned by the required deadline, May 15th. See Division Rules. Poultry and Rabbits must be owned by July 1.
2. **Partnership Livestock Junior Exhibitors:** Junior exhibitors may own livestock in partnership with other junior exhibitors who are immediate (brother/sister) family members and in the case of breeding livestock may have them registered jointly with the exception of Junior Dairy Cattle exhibitors. See Junior Dairy Cattle rules for explanation. Each member may show the same number of head, as if they were individually owned; however, fair entries should identify which animals are to be shown by each exhibitor. The exhibitor's name must be on the registration papers.
3. **Bred & Owned:** Exhibitor must be listed as breeder and only owner on original registration certificate to qualify for Bred & Owned division.

C. COMPETITION

1. Junior exhibitors are advised to refer to the "**Show Ring Code of Ethics**" section under Livestock Entry Rules regarding unethical fitting and handling practices.
2. Junior exhibitors will show together except as designated.
3. Exhibitors may not show more than two animals in an individual class.
4. Junior exhibitors must show their own animals. If a member has more than one entry in a class, it must be shown by another junior exhibitor.
5. In the case of an illness or the junior exhibitor's inability to show the animal, a direct sibling, of junior age, OR a member of the same 4-H or FFA chapter can take the place of the junior owner. The premium money will still be sent directly to the original exhibitor that owns said animal.
6. **Exhibitors in junior livestock shows will be required to wear a special t-shirt. The t-shirt must be worn into the show ring. Noncompliance will result in disqualification from the show. T-shirts may be obtained after arrival on grounds. Please state**

t-shirt size on entry form. Extra t-shirts may be purchased on the entry form. The tshirt will be provided by fair and livestock sponsors.

7. All participants in Junior Showmanship classes must have pre-entered and exhibited in the 2025 Ozark Empire Fair Junior Show. Showmanship must be in the species the exhibitor showed in regular classes.
8. \$10 entry fee for Jackpot Showmanship for swine, beef and all Gold Buckle Extravaganza junior exhibitors. You must pre-register online before check-in and the top three showman in each age division will receive a percentage of the payout. Every species first place showman in each age division will receive one banner.
9. Every precaution will be taken to protect exhibits, but the Fair will not be responsible for loss or damage to exhibits.
10. Animals must be fed, cared for and exhibited at the Fair by the exhibitor under the supervision of a parent or legal guardian. Excusing a member from personally exhibiting his/her animal(s) defeats one of the important objectives of livestock projects. Hence, management does not approve substitute showmen except in extreme cases. In approved emergency cases, another junior member may assume these duties. In this instance, the Livestock Office should be notified prior to the show.
11. Rowdy conduct while on the Fairgrounds will not be tolerated. Junior exhibitors shall not loiter in the barns away from the area of their own exhibit between 10 p.m. and daylight. Superintendents shall release said exhibitors and request their immediate removal from the grounds for rowdy conduct such as removing, stealing, destroying or damaging any property not belonging to them. They shall forfeit all prize money and will be barred from any future shows.
