

# **Ag Mechanics Projects Auction**

*Chairman – Ashley Cross*

Date: Saturday, October 19, 2024 – Following CHA

Location: Auditorium

## **Rules**

1. All entries are subject to General Fair, General Livestock, and General Sales Rules and Regulations.
2. Ag Mechanics auction to sell at least 75% of the top overall checked in projects. Project must be in working condition and sold as shown including any winches, hydraulics, cylinders, batteries, etc. needed to make it functional and in good working condition.
3. The Ag Mechanics Auction Committee will accept the sale order as presented from the Ag Mechanics Show Committee. All projects presented by the Ag Mechanics Show Committee must sell or the Exhibitor will be disqualified from any BCFA activities where the result pertains to an auction for the following year.
4. A Sale Sheet Information Card will be provided for all Ag Mechanic Show Exhibitors. All exhibitors must complete and turn in the Sale Sheet Information Card at check-in to be eligible for auction. Sale Sheet Information Cards must be signed by group leader/teacher or parent (if individual exhibitor).
5. Individual projects are limited to one item in the auction. Club/group projects may have multiple items with duplicated exhibitors.
6. There is no minimum bid. All items must sell for price at auction.
7. Signed and dated disposition paperwork and a “Thank you” letter to each buyer and add-on contributor **MUST** be received in the Fair Office on or before 4:00pm November 8, 2024. Thank You letters **MUST** be properly addressed to the buyer/add-on contributor, have the exhibitor’s return address and a stamp, and be left **UNSEALED**. The Fair Office will forward thank you letters to the buyer(s) and add-on contributors. Failure to comply with this rule will result in a 3% loss of all net sale proceeds and exhibitor will be disqualified from any BCFA activities where the result pertains to an auction for the following year.
8. All Exhibitors selling in the Ag Mechanics Auction must be present on the last Sunday of the Fair to load and or deliver their project and pick-up disposition papers and thank you lists from auction. Disposition papers and thank you lists are to be picked up between 7am and 9am. Exhibitor must contact buyer immediately upon receipt of disposition papers to make delivery arrangements. The ultimate responsibility of final delivery lies solely and ends with the

exhibitor. Exhibitors with add on contributions AFTER the last Sunday of the fair can pick up updated thank you lists at the fair office.

9. If a buyer has indicated they will pick up the project at the fairgrounds on the last Sunday, it is still the seller's responsibility to pick up their disposition papers and have them signed by the buyer prior to the buyer taking the project from the fairgrounds.
