**Gate Calls:** The two-minute gate will be enforced. The gate will close two minutes after the first horse enters the ring or in cases with large classes taking more than two minutes, after the entry of the final horse in a continuous string of horses. If tack changes are necessary, it is the exhibitor's responsibility to notify the gate person and request a three-minute gate hold. Note: Due to unforeseeable problems with the mechanical devices, the paddock and barn calls over the PA system must be considered a COURTESY. It is the responsibility of the exhibitor to be sure that his/her horse is at the gate at the prescribed time.

**Refusal of Entry/Protest:** All decisions made by the Judge and/or Show Management are final and cannot be protested. Show Management reserves the right to ask any exhibitor to leave the show grounds for any reason including but not limited to unsportsmanlike like conduct, intoxication, and animal cruelty.

**Embrace:** This is a new format for the NM State Fair. Many local non-profit horse clubs and volunteers are working hard with the Fair Commission and Expo Staff to create a fun and safe event for all. Please help us to make this a great experience with kindness and patience. Horse showing is about FUN and you have a large audience of kids who want to be just like you when they grow up! We all represent the best of what the horse community has to offer. THANK YOU for supporting YOUR New Mexico State Fair Horse Department.

## Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

## Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

## General Instructions

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

### What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
