

WEST END FIREMAN'S FESTIVAL
MAY 30, 31 and JUNE 1, 2024

Dear Community Member,

We are soliciting sponsorships to help support the West End Fireman's Festival. This will be a community event with food, games, entertainment and family fun! It is also an important fund raising event. All proceeds will be divided between four local fire companies: Blue Ridge, Kunkletown, Polk and West End.

Your generous support would be greatly appreciated. It is also a tax deductible expense as the organizations are all non-profit volunteer fire companies.

We are also asking for banner sponsors. As a banner sponsor, your provided banner no larger than 3 foot by 5 foot will placed in a highly visible location by the stage where nightly entertainment will be occurring.

Please fill out the information below and sign the respective line below:

Banner Sponsor: Donation \$200.00
