Shorthorn Division

Breed Manager: Phil Fry (765-366-8623)

- Be sure to enter group classes by listing that corresponding class number. Enter all cattle in the appropriate age classes making sure that Purebred cattle are entered in that division and Shorthorn Plus cattle are entered in the Plus division. Female classes will show first, beginning with the youngest heifer classes. Individuals will enter the show ring according to age, with the youngest entering first. Only 2 placings can be won by an individual in classes and 1 in the group classes by any exhibitor.
- Senior/Junior Yearling Pregnancy Rule for exhibitors at all Open shows:** Any senior/junior yearling female 28 months of age or older on or before the date of the show must have a registered purebred natural calf at side and must be shown with calf. If purebred Senior/Junior Yearling has a ShorthornPlus calf at side, it is not eligible for the Purebred Shorthorn Show, however it is eligible for the ShorthornPlus show if such show is available. All females 20 months of age on or before the date of the Regional show need to have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific show.
- Entry in these shows binds the exhibitor to all regulations pertaining thereto**
- IMPORTANT:** Each of the following classes **MAY** be broken into multiple classes to accommodate large numbers of entries, but separate classes **may NOT** be combined into one. For example, there **MAY** be four "Junior Heifer Calf" classes, but there **may NOT** be one single "Spring Heifer Calf" class (combining Late and Early Spring calves).

PUREBRED SHORTHORN

- All cattle must be purebred and have an original American Shorthorn Association registration paper (no copies or faxes accepted) to be eligible to show.
- All animals must be registered as the property of the exhibitor in the records of the American Shorthorn Association by the time of the Fair or Show. Please refer to specific show guidelines for a junior show ownership deadline.
- The Fair **must** adhere to these Show Classifications regardless of entry numbers. Age divisions (i.e. Junior Calf, Senior Calf, Junior, and Senior) are **not** flexible.
- No exhibitor shall be permitted to win more than two prizes in any one class.

5. Animals in a Junior Show may only be in the sole name of the individual exhibitor.
6. Individual animals shown in all of the group classes listed below must have been entered and shown in one of the following classes for single animals. Multiple owned animals must be exhibited in the name of all owners. Family bred and raised animals entered by juniors in Junior Classes and subsequently entered in Open classes may be treated as family entries in group classes.
7. All Shorthorns are subject to a tattoo inspection by representatives of the ASA. All Shorthorns and Polled Shorthorns are also subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final. Use of artificial fins on show animals is not permitted.

Simmental Division

- Exhibitors must make entry in Class 1 for all females they wish to enter and Class 16 for all bull entries. The Dept.-Section-Class number must be listed for each female or bull you wish to enter. For example, list the female's Dept.-Section-Class number 5 times if you are entering 5 females. Be sure to enter group classes by listing that corresponding class number. After the cattle have checked into the Fair, they will be listed by age, youngest first, and then divided into similar size Groups. The groups will be divided by taking the total number of animals (females and bulls) entered, divided by 4 and then add three classes. The individual show

will start with the youngest female class. Individuals will enter the ring with the youngest first. The 2 classes of cow/calf are to show for cow/calf champion (not to be included in the senior champion class or grand champion). Cow can be shown in-group classes without calf. Cow must show evidence of naturally raising the calf on show day. Group classes will show last.

2. All animals must be at least 76% Simmental to be eligible to show. These divisions and the distribution of the information to the exhibitors and spectators will be the responsibility of the Indiana Simmental Association. Only 2 premiums are paid in individual classes and 1 in the group classes for each exhibitor.
