

Big Rock River

By using this ride, you are voluntarily participating in a hazardous recreational activity and assume any and all risks associated with this ride.

- This shallow water attraction produces a mild riding experience.
- Please look at the ride and decide for yourself if you can ride. You are the best judge of your limitations. Guests, whose physical or mental limitations could create a hazard for themselves or others, should not ride.
- Failure to follow all rules and instructions can result in serious injury to yourself and others.
- Riders must be able to independently maintain an upright, seated position and have head and neck control during the ride.
- Guests under 42 inches (1.07 m) tall must be accompanied by an adult (18 and older) on a one-to-one ratio and remain within arm's reach at all times.
- Maximum rider weight is 250 lbs. (113 kg) per inner tube.
- Guests with the following conditions should not ride: back or neck problems, heart conditions, pregnant woman, recent surgery, illness, or injury.
- Loose items (such as cameras, wallets, hats, keys, sunglasses, etc.) should be left with a non-rider or secured. DryTown is not responsible for items lost on this ride.
- Weak and non-swimmers should wear a life jacket.
- Listen to and follow the lifeguards' instructions at all times.
- Children should be closely supervised at all times.
- Enter Big Rock River at authorized entrance points only, including the zero depth entrance, and/or the steps.
- Food, beverages, gum, candy, tobacco and glass are prohibited.
- Maximum water depth is 3 ft. 6 in. (1 m).
- California Certificate of Compliance may be viewed at DryTown's Town Hall.
- **IMPORTANTE** – Si usted necesita un folleto con las reglas en español, se le puede proveer antes de hacer uso de las instalaciones del parque.
